Graduation and UC “A-G” Requirements (Cont’d)

Grade “C” or above: All “a-g” courses must be completed with a grade of C or above each semester.

Repeated “a-g” courses: Courses in which grades of a D/F are earned may be repeated. The highest grade will be used in the GPA calculation. *UC only allows a course to be repeated one time for grade replacement.*

7th–8th Grade Coursework: Coursework completed in 7th or 8th grade can be used to satisfy Math or Language “a-g” requirements, however, the credits are NOT counted towards a high school diploma.

Calculating GPA: UC/CSU calculate GPA using only “a-g” approved courses taken ***after*** the 9th grade, including summer courses. All “a-g” courses and grades must be reported.

SAT/ACT Test Scores:

California State University (CSU)

Applicants are not required to submit ACT or SAT scores. If a student elects to submit test scores as part of their application, they will be used as one factor of the multiple measures used for English and quantitative reasoning/mathematics college course placement.

University of California (UC)

UC no longer considers ACT or SAT scores when making admissions decisions or awarding scholarships. If a student chooses to submit test scores as part of their application, they may be used as an alternative method of fulfilling minimum requirements for eligibility or for course placement after enrollment. SAT subject tests have been discontinued and are no longer recommended for any campuses or majors.

COUNSELING AND GUIDANCE SERVICES

The counseling and guidance services at CdMMS/HS focus upon the following goals:

- To assist each student in the development of a realistic program of studies based upon individual aptitude, interests, and goals.
- To assist each student in the exploration of post-secondary options.
- To assist each student in social-personal growth.
- To assist educational “stakeholders” (parents and faculty) to understand each student’s unique abilities and characteristics.
- To facilitate the attainment of the above goals, students are assigned to a counselor.

PROGRAM/SCHEDULE CHANGE POLICY

Prior to the opening of the semester:

Course request changes for the Fall Semester may be made until the end of the school year. Schedule change requests for Spring Semester may be made in December.

During the first two weeks of the semester:

Schedule changes during the first two weeks of each semester may be made by school staff to balance classes, fix mechanical errors, and correct misplacements. Schedule change requests will not be accepted after the school year concludes (for Fall Semester), and December (for Spring Semester).

After the First Two Weeks of the semester:

After the first two weeks of the semester, there should be minimal program/schedule changes. Some changes may occur, as a result of level adjustment or due to balancing, and those changes must be approved by an administrator. Requests for a change of teacher will not be granted.

Communication:

Communication between student, teacher, counselor, and parent is paramount in the program change process. In those cases, involving level changes, communication with the department and the parent is mandatory.

Last Day to Enter a Class:

Students will not be allowed to enter a class after the third week of school without administrative approval.

GRADING

Grades are issued and mailed home at nine-week intervals through the school year. The grades given at the completion of the 18th and 36th weeks will be final semester grades, and are recorded on the student’s official transcript. Five weeks prior to a grading period, progress reports will be mailed home to parents.

Grading System:

College Prep: A=4, B=3, C=2, D=1, F=0, NC=No Credit, CR=Credit, P=Pass, WF=Withdrawal F.

Advanced Placement (AP): A=5, B=4, C=3, D=1, F=0, WF=Withdrawal F.

Honors Chemistry/Honors Enhanced Math III: A=4.5, B=3.5, C=2.5, D=1.5, F=0, WF=Withdrawal F.

Grade point average is computed after seven semesters by using all grades except PE. If a course is repeated, the higher grade is used; however, the first grade must have been a “D” or an “F” to remediate for a higher grade. For college applicants, CDM does not report class ranking. It should also be noted that the majority of universities do their own GPA calculations.

SPECIAL GRADING POLICIES

Withdrawal Grades:

- If a student withdraws from school, he/she will receive the grades he/she has earned in all courses up to the date of the withdrawal from school. Credit will not be issued for such courses unless special approval is granted by the involved teacher and/or principal.
- If a student withdraws from a course, but remains enrolled in CdMMS/HS, the following procedures will apply:
 - If the withdrawal date is by the third week of the semester, there will be no entry on his/her permanent record.
 - After the fifth week, students who withdraw will receive a WF grade, and no credit will be recorded on the permanent record.
- If a student is withdrawn by an administrator for disciplinary reasons, a failing grade will be recorded on the permanent record.

Incomplete Grades:

- An “incomplete” grade is to be issued only in situations wherein legal/excused absences of a student has made it impossible to complete all course requirements. In such situations, the following procedures shall be followed:
- The incomplete grade issued by the teacher shall include a designation of the letter grade that would be given to the student, assuming that the incomplete assignment of work was to eventually receive a failing grade, a zero, etc.
- If the student does not complete the involved work by the conclusion of the following quarter (6 weeks), the incomplete grade will be converted to the letter grade as previously designated by the involved teacher.
- If the student does complete the involved work by the conclusion of the following quarter (6 weeks), the incomplete grade will be converted to the appropriate letter grade by the involved teacher.

Credit/No Credit Grade:

Credit/no credit grades may be given only with prior approval of the Department Chairperson, Instructor, and the Administrator before the school year starts.

Transfer Grades:

When a student transfers into NMUSD, student transcripts and grades are analyzed and transcribed to match the course codes and GPA weights of NMUSD / site-based courses and GPA weights. (Administrative Regulations 6146.3)

STUDENT RESPONSIBILITIES

- Maintain a standard of behavior that does not interfere with the rights of others and/or the learning process.
- Attend classes punctually and regularly.
- Respect the responsibility of school staff to uphold district policy, school rules, and law regarding student behavior during school and at school activities.
- Maintain a standard of dress consistent with the published dress code.

PROHIBITED BEHAVIORS

- Cause damage to or steal private or school property.
- Cause, attempt to cause, or threaten to cause physical injury to another person.
- Possess, sell, or otherwise furnish any firearm, knife, explosive, or any other dangerous object.
- Possess, use, sell, or otherwise furnish, or be under the influence of any controlled substance, alcoholic beverage, or intoxicant of any kind.
- Smoke or be in the possession of tobacco, lighters, matches, vapes/e-cigs during school or at any school events.
- Commit an obscene act or engage in habitual profanity or vulgarity.
- Disrupt school activities or otherwise willfully defy the valid authority of supervisors, security personnel, teachers or administrators.
- Be in classrooms without faculty supervision.
- Forge notes/signatures.

Students found in violation of a prohibited behavior will serve administrative issued consequences.

ON CAMPUS STUDENTS WILL:

- Have an official hall pass for restroom use or a written note from their teacher for any other out of class reason.
- Not enter the P.E. locker rooms during class time, including lunches. Students found inside during class time will be subject to disciplinary action.
- Not bring valuables to school (NMUSD/CdMMS/HS is not responsible or liable for lost or stolen items).
- Observe the directions, directives and requests from all school personnel in a respectful manner.

STUDENT BEHAVIOR EXPECTATIONS/DISCIPLINE

When disciplinary action is necessary, the goal of the school is to change the behavior of the student(s). This applies to behavior at school, going to and from school, and at school activities. When practical, logical and natural consequences will be used. However, we also believe that action taken should be progressive and significant enough to have a definite impact on the student.

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and

choices result in the need for such action. In the most significant and serious of incidences, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact a site administrator.

ACADEMIC HONESTY AT CORONA DEL MAR

EXPECTATIONS OF STUDENTS

- Do your own work when you are expected to do your own work.
- Understand that you must process information in order to learn it.
- Do not tolerate cheating by others; inform teachers and/or administration of alleged instances of cheating.
- Do not allow others to use your work. Being a good friend means not letting your friend use your work.
- Be sure to understand your teacher's specific instructions about appropriate and inappropriate collaboration on assignments.

EXPECTATIONS OF PARENTS

- Reinforce empathy, integrity, and resiliency.
- Model ethical behavior at home (ex: not calling in sick when not ill.)
- Do not excuse your student from class when a test or assignment is due.
- Support the academic honesty policy of Corona del Mar Middle School/High School.
- Watch for cheating at home. Be aware of appropriate and inappropriate collaboration.
- Do not allow your child to cheat, copy, or plagiarize.
- Know your child's tutor and monitor their tutoring sessions.
- Have realistic expectations for your child.
- Work with the school to make decisions and accept consequences based on what is best for your student.

CHEATING AND ACADEMIC DISHONESTY

Cheating on quizzes/tests: any intentional giving of or use of external assistance relating to an examination, test or quiz, without express permission of the teacher.

Examples (not limited to...):

- Copying another student's test paper during a test.
- Using non-permitted notes or a "cheat" sheet during a test.
- Stealing academic materials from a teacher, electronically or otherwise.
- Unauthorized use of devices (e.g., graphing calculators, computers, tablets, flash-drives, cell phones, watches, key-logging or similar devices).
- Repurposing your previous work/assignments in the place of completing a new assignment.

Plagiarism: Any intentional use of another's ideas, words, or work as one's own. Plagiarism includes the misuse of published material and the work of other students. This includes work with or without permission by the owner in order to pass off said work as one's own. Turnitin.com, an anti-plagiarism service for

assisting students and teachers with accurate writing assignments, is used at CdM. Through Turnitin.com, we are preparing our students for future academic success since this program is used at many colleges and universities.

Examples (not limited to...):

- Copying verbatim (word for word) from a source and not giving credit in a footnote.
- Copying any paper written by someone else and representing it as one's own.
- Heavily summarizing a primary source with little-to-no individual effort or without giving proper credit to the primary source.
- Allowing anyone else to modify or rewrite one's writing assignment and representing it as one's own.

Fabrication: Any intentional falsification or invention of data, citation of other authority in an academic exercise.

Examples (not limited to...):

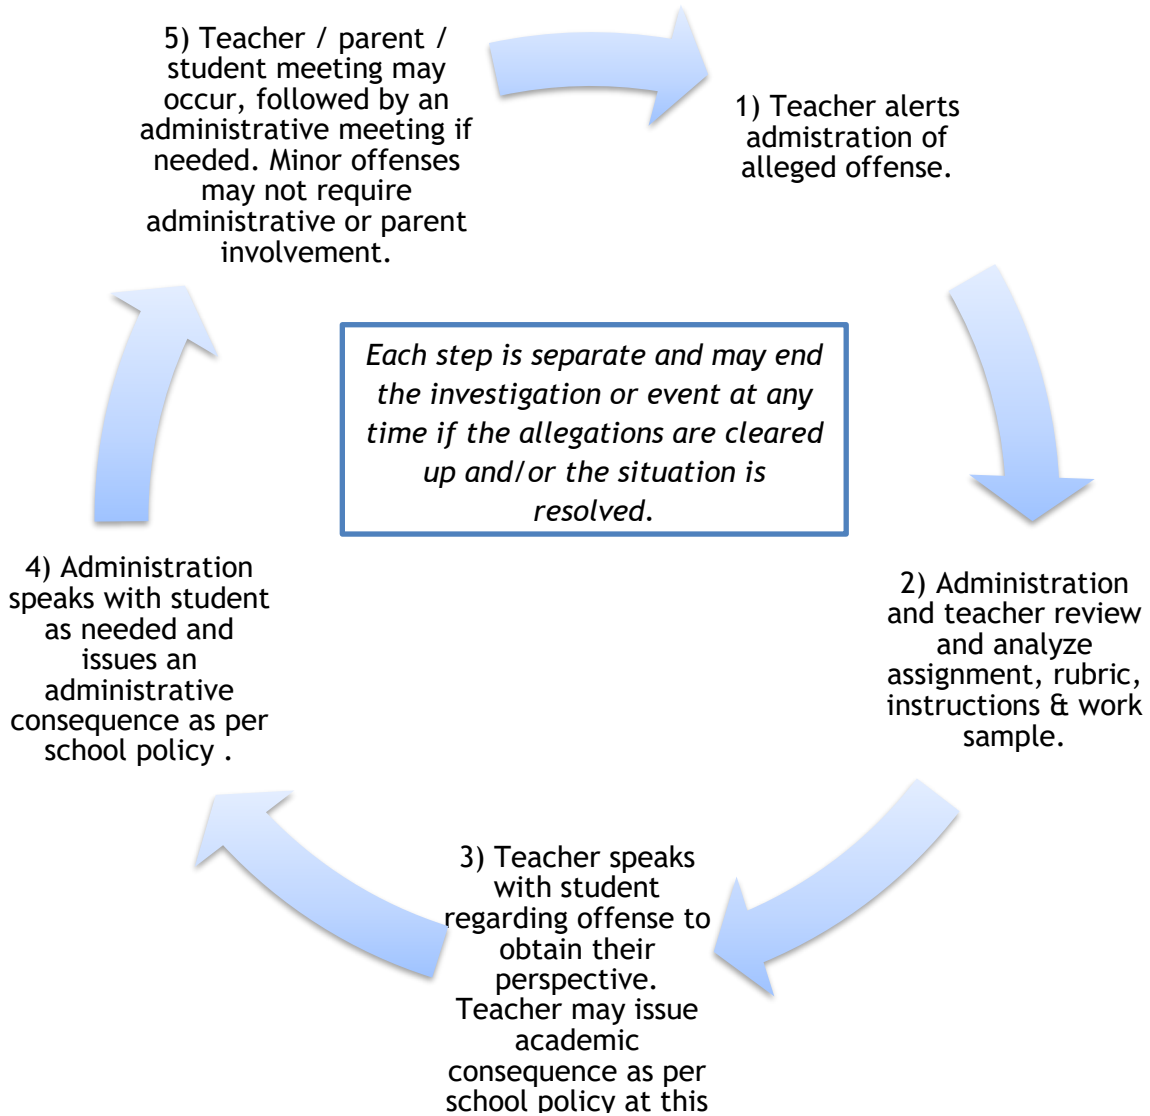

- Creating false data for a footnote, works cited or bibliography.
- Watching a video of a literary work but then representing that one has read the piece.
- Reading SparkNotes or Cliff Notes et. Al. instead of reading the assigned literary work.

Unauthorized Collaboration: Intentional collaboration on an assignment between a student and another person, if such collaboration is not permitted.

Examples (not limited to):

- Copying another student's work (even with their permission).
- Borrowing from another student's study sheet or calculator.
- Sharing answers with another student on individual assignments verbally or in written format

PROTOCOL FOR ACADEMIC HONESTY / CHEATING ISSUES

Academic Consequences:

- A score of a zero earned for the assignment(s) involved.
- Overall academic grade in course lowered in course as a result of the zero.
- Citizenship grade lowered.
- Membership in academic-based clubs / leadership groups may be jeopardized.
- Increased levels of interventions for multiple or severe instances of cheating will be utilized.

Administrative Consequences:

- Referral issued, action documented.
- Detention issued, either from teacher or administration.
- Meeting may be required: may include teacher, parents, and administrator.
- 1-3 hours of detention school issued.
- Increased levels of interventions for multiple or severe instances of cheating will be utilized.

**Please note that each situation merits individual consideration, and these steps serve as guidelines to follow, but may change as needed.*

STUDENT DRESS CODE

Appropriate dress and grooming contribute to a productive learning environment. Newport-Mesa expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process.

Copies of [Board Policy 5132](#) and [Administrative Regulation 5132](#) are available at www.nmusd.us.

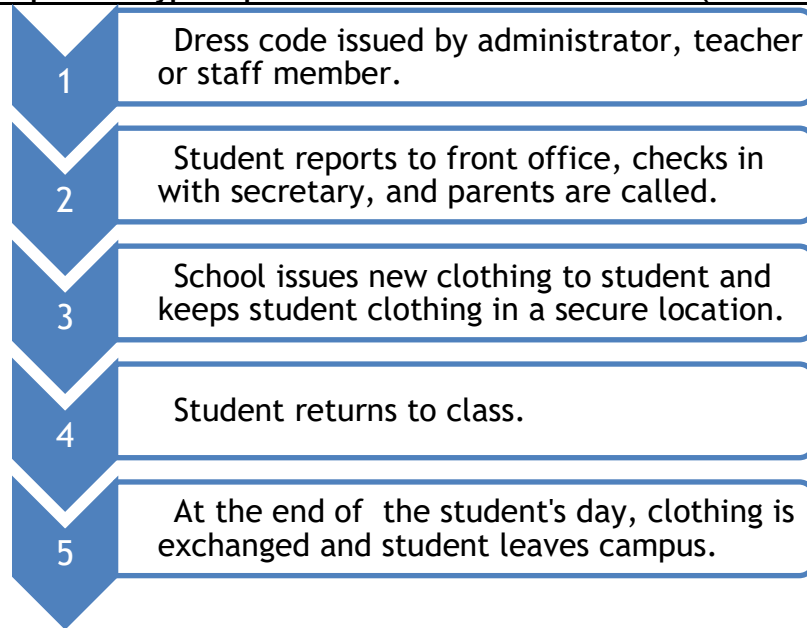

Corona del Mar High School expects that all students will dress in a way that is appropriate for the school day or for any school-sponsored event. Student dress choices should respect the District's intent to sustain a community that is inclusive of a wide range of identities.

The primary responsibility for a student's attire resides with the student and their parent/guardian. The school district is responsible for seeing that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size. The campus dress code was created as a collaborative effort including students and staff.

GUIDELINES FOR STUDENT DRESS:

- Any combination of clothing which law enforcement agencies currently consider gang related is prohibited. No obscenities, gang related emblems, or inappropriate words or logos are permitted.
- Clothing that is vulgar, obscene, libelous, or denigrates others on account of gender, sexual orientation, race, color, religion, ancestry, national origin, handicap or disadvantage is not permitted.
- No apparel that depicts inappropriate graphics or language representing or suggesting drugs, alcohol, tobacco, vaping, or paraphernalia is permitted.
- No apparel with hate speech, profanity, pornography, violent language or images (including weapons) is permitted.
- No images or language that creates a hostile or intimidating environment based on any protected class or consistently marginalized groups are permitted.
- Tops should have straps or sleeves, and undergarments should be covered at all times.
- Accessories that could be considered dangerous or could be used as weapons are not permitted.
- Any item that obscures the face or ears (except as a religious observance) is not permitted.
- Shoes must be worn at all times, pursuant to California Education Code 35183.

An example of a typical protocol for dress code violation (not limited to):

*Detentions will be assigned to repeated dress code violations.

EMERGENCY PROCEDURES

We have implemented the “I Love U Guys” Standard Response Protocol (SRP), which is a uniform, planned and practiced response to an incident. It defines the five actions to take in an emergency: Hold, Secure, Lockdown, Evacuate, and Shelter. Staff and student trainings are conducted annually at the start of the school year to familiarize ourselves with the emergency actions, and fire, lockdown, secure, earthquake, and disaster drills are conducted throughout the year. In collaboration with local law enforcement and school resource officers (SROs), safety drills utilize the common language defined in the SRP. Please familiarize yourself with the five SRP actions so that in the event of an emergency, you have a clear understanding of the action being taken to support immediate safety efforts. Corresponding signage with descriptions of the five actions are displayed throughout our schools.

In the event of an earthquake or disaster, we have established the following procedures for the safety of all school occupants:

- Absolutely no parking in the parking lot to allow emergency vehicles access.
- Do not enter the school building. Rescue teams are equipped for this purpose.
- Report to the Reunification Center in front of the school office to pick-up your child.
- Reinforce the necessity of your child remaining at school until an adult listed as an emergency contact in Aeries arrives to pick them up.

CELL PHONE/ELECTRONIC DEVICE USAGE

NMUSD recognizes that the use of smartphones and other mobile communication devices on campus may be beneficial to student learning and well-being but could be disruptive of the instructional program in some circumstances. The district permits limited use of mobile communication devices on campus in accordance with law and Board Policy 5131.8.

A copy of [Board Policy 5131.8](#) is available at www.nmusd.us.

Students may possess cell phones, smartwatches, tablets, laptops etc. on campus during the school day. However, their use is **prohibited in the classroom** except during the following instances:

- During an emergency affecting the school or community.
- *When the classroom teacher incorporates technology into the classroom setting for a lesson or assessment.*
- Use of cellphone cameras and video recording is prohibited unless permission is authorized by a CDM staff member.

When a student uses any prohibited device, or uses a permitted device in any unethical or illegal activity, a CDM employee may confiscate the device. The employee shall store the item in a secure manner until an appropriate time.

*Please note that in addition to administrative consequences, students' citizenship marks and participation grades within an affected course can also be impacted by cell phone violations. Offenses are tracked yearly.

Examples of Potential Consequences for Cell Phone Violations:

- Multiple offenses will result in:
 - Prohibited use of cellphones on campus during school hours.

Cell Phone Norms:

- Every class begins with cell phones in designated location by the teacher
- Headphone use is prohibited any time during the school day for safety reasons unless use has been specifically stated in an IEP or 504 plan.
- Cell phones may be taken by school staff in instances of unauthorized and/or inappropriate use.

Middle School only:

- Cell phones/smart phones are not considered acceptable devices within the classroom.
- Acceptable devices within the classroom include:
 - Chromebooks (one-to-one for all 7th & 8th graders)
 - Laptops
 - Tablets
 - iPads
- Cell phones may be taken by school staff in instances of unauthorized and/or inappropriate use.

REMINDERS FOR ATHLETES

*

Each school year you play a sport, you must fill out and submit an **Athletic Clearance Packet** to the Athletic Office (available on the website-www.cdm.nmusd.us).

*

Some sports may seek a donation towards operating costs. You are NEVER required to make that donation. There are NO penalties to student-athletes who are unable to donate financially to a sport they have qualified to play.

*

There are tryouts for most sports, as teams need to be of a manageable size. Even sports considered "non-tryout" sports have participation caps, and require base-level skills (ex: swimming) in order to participate. Other teams have certain requirements to determine placement within a program (ex: Varsity vs. JV).

*

During a season, 7th or 8th period is designated as the class period for each sport. Time beyond 6th period is expected of athletes. Students may play more than one sport during a school year, but not within the same season. Typically, the student may stay in a sport all year long, and earn PE credit for the entire year.

CITIZENSHIP ELIGIBILITY FOR CO-CURRICULAR & EXTRA-CURRICULAR ACTIVITIES

Newport Mesa Citizenship Eligibility Requirements: A student who receives two (2) or more U's (unsatisfactory) citizenship grades at the end of a quarter from 2 or more different teachers will be deemed ineligible for the ensuing eligibility period. At the next eligibility date the criteria for U citizenship grades will be applied to determine the student's eligibility status for the ensuing eligibility period. Teachers will be utilizing the Citizenship Rubric that appears below.

Corona del Mar Middle/High School Citizenship Rubric

Teachers manage their own classroom procedures; citizenship grades are at their discretion.

Citizenship grades start over every Quarter. Students earning a citizenship mark of “U” in 2 or more classes within a Quarterly grading period are automatically **INELIGIBLE** to participate in extra-curricular activities such as sports, school performances, and attend dances or activities.

MINIMUM ACADEMIC ELIGIBILITY

To be academically eligible for participation in co-curricular and extra-curricular activities, a student must have passed the equivalent of 12 quarter or 20 semester periods of new work** during the preceding grade reporting period***, and must have earned an overall grade point average of at least 2.0* for Athletics and 2.5 for ASB for that same reporting period.

**A student may be declared ineligible to participate on the day of a contest due to school or team discipline standards.*

Activities to be covered by this policy are: all athletics, music (instrumental and vocal), drill teams, pep squads, cheerleaders, song leaders, dance, drama and all clubs or campus organizations including but not limited to ASB, PAL, HRC, NHS and Y & G.

PROBATION PERIOD

If a student does not maintain a 2.0 grade point average, he/she will be granted a period of probation which will immediately follow the grading period in which the student earned less than a 2.0 grade point average.

Guidelines for Probation are:

1. A student is placed on probation if their GPA is not a 2.0 at an official grading period. NMUSD recognizes the quarter system as an official grading period. A student may not be on probation for two consecutive quarters. (1) Probationary eligibility period permitted at the high school level.attendance
2. Students who enter the 9th grade with less than a 2.0 grade point average will be granted transitional eligibility* during the first grading period. Transitional eligibility does not count as the high school level probationary period.
3. Students who are granted probationary eligibility must meet the required eligibility standards by the end of the grading period in order to remain eligible for participation.

When is Probation not granted?

The District requirement for citizenship and the CIF requirement for new work* supersede the 2.0* grade point average rule. A student who does not meet the CIF eligibility requirement of passing at least 12 quarter or 20 semester periods of new work* in a grading period is immediately ineligible and forfeits the probationary period. For example, if a student receives three A's and three F's, the student's grade point average is 2.0*, but the student is ineligible because he/she has not passed the required semester periods of new work*.

ATTENDANCE/ ABSENCES

2023 - 2024 CDM ATTENDANCE

ATTENDANCE OFFICE HOURS: 7AM-4PM

ATTENDANCE LINE (leave voicemail 24/7): (949) 515-6005

FAX: (949) 515-6070

PROCEDURE FOR VERIFYING ABSENCES (FULL DAY/PARTIAL DAY):

Parents should verify for each day of the absence.

ABSENCES

Parents should notify the Attendance Office within 72 hours of the absence with the student's name, date of absence, and reason for the absence or else the student is considered truant. If a reason is not given, the absence is automatically unexcused. Written notice should be signed by the parent and have the parent's phone number in case the note needs to be verified. There are 3 ways to notify the office:

- 1) The parent leaves voicemail on the 24/7 line (949) 515-6005, or
- 2) The parent faxes a signed note to (949) 515-6070, or
- 3) The parent's signed note is brought to the Attendance Office by the student or parent.

Whenever a student is absent from school or class, the actual reason for the absence shall be determined by a qualified school employee. All absences must be verified to the office no later than three (3) school days after the absence. If the absence is not verified, it will automatically be converted to a truancy ("cut"). A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition. Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible.

Copies of [Board Policy 5113](#), [Administrative Regulation 5113](#), and [Administrative Regulation 5113.1](#) are available at www.nmusd.us.

ARRIVING LATE

Students should come to the Attendance Office upon late arrival and get a tardy slip to take to class. Parents should notify the Attendance Office for the partial absence (see Absences section above).

LEAVING EARLY

A student can be released early by one of the methods below without being considered truant, and verification is accomplished. Due to the volume of voicemails received on the Attendance message line, voicemail is not a timely method for notifying the office in advance for early release. We may not hear your message before you need your student released.

- 1) The parent signs out the student at the Attendance Office and the student is released from class at that time, or
- 2) The parent's permission is received in advance of the early release time. The parent can give the student a signed note stating the time, date and reason for early release. The student should give this note to the Attendance Office during a break (before school starts or during lunch) in order to get a pass. Notes may be verified by a phone call to the parent.
- 3) For illness the student should go to the Health Office, and the staff can then determine whether the parent needs to be called for early release.

UNEXCUSED ABSENCES / VACATIONS

The Newport-Mesa Unified School District is committed to providing each student a world-class education. This commitment can only be realized if all stakeholders, parents, students, and the school participate fully in the educational process. Student holidays are listed below for your reference.

- | | |
|---|-----------------------------|
| • September 4, 2023 | Labor Day |
| • November 1, 2023 | Staff Development Day |
| • November 10, 2023 | Veterans' Day |
| • November 22 - 24, 2023 | Thanksgiving Recess |
| • December 22, 2023 | Preparation Day (7-12) |

We encourage families to plan their vacations on the dates listed above. A vacation absence is considered to be an unexcused absence. If you choose to take vacation on days other than school holidays and are absent for five consecutive days (unexcused absence), your child may not be guaranteed the same classroom assignment and/or school. This administrative practice would only be implemented if the classroom seat is needed for a new student. Each individual school site will determine the academic responsibility of students absent due to vacation and will assign student work as appropriate, but the school cannot be responsible for providing a full, independent study course during the absence.

EXCUSED ABSENCES (EC §§48205, 48980)

The California State Education Code Section 48205 outlines when a child shall be excused from school. This Section of the Education Code includes illness, medical or dental services, attendance at a funeral service, the illness or medical appointment of a parent, and for justifiable personal reasons approved by the principal. Your child will be allowed to complete all assignments and tests missed during such an excused absence. Students would not be in jeopardy of losing their seat at a school due to an excused absence.

ABSENCES FOR RELIGIOUS PURPOSES (EC §§46014, 48980)

With your written consent, your child may be excused from school in order to participate in religious exercises or to receive moral and religious instruction at your child's place of worship or at other suitable

place or places away from school property designated by the religious group. Your child may not be excused from school for this purpose on more than four days per school month.

GRADE REDUCTION/LOSS OF ACADEMIC CREDIT (EC §§48205, 48980)

Your child may not have his/her grade reduced or lose academic credit for any absence or absences excused under Education Code section 48205, when missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time.

A pregnant or parenting pupil is entitled to eight weeks of parental leave from school, as specified, but is not required to take all or part of the leave. Absences taken for parental leave shall be excused absences until the pupil is able to return to school. A pupil will not be penalized academically for leave taken and is entitled to opportunities to make up work missed during his/her leave, including makeup work plans and reenrollment in courses.

EDUCATION CODE §48205

- (8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
- (9) For the purpose of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.

- (10) For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
 - (11) For the purpose of participating in a cultural ceremony or event.

The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
- (c) For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
- (d) Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
- (e) For purposes of this section, the following definitions apply:
- (1) A "civic or political event" includes, but is not limited to, voting, poll working, strikes, public commenting, candidate speeches, political or civic forums, and town halls.
 - (2) "Cultural" means relating to the habits, practices, beliefs, and traditions of a certain group of people.
 - (3) "Immediate family" means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.

UNVERIFIED ABSENCE POLICY & PRE-DETERMINED PROGRESSIVE INTERVENTIONS

L.O.P. = Loss of Privileges include but are not limited to dances, rallies, field trips, special events, sports, parking passes, AP course registration etc.

S.A.R.B. = Student Attendance Review Board. Composed of the Director of Student Services, the Coordinator of Student Services, a social worker, a board member and an administrator, the group meets with the family at the NBP or CMPD to address chronic absenteeism.

CHRONIC ABSENTEEISM RELATED TO ILLNESS AND VERIFIED ABSENCES

If a student misses 10 (partial) days of school for medical appointments in a school year, the school is allowed to require verification of all further medical appointments. Verification is satisfied via a note from the medical facility (student name, date of specific visit, signed, on letterhead) or by the school calling the facility to confirm that there was an appointment. The school may not inquire about the nature of the appointment, only that there was an appointment. Failure to verify medical appointments beyond the initial 10 days will classify those absences as unverified cuts. The responsibility to verify is placed on the student and family, not on the school.

SCHOOL IS COMPULSORY TO AGE 18

E.C. 48200 states: "Each person between the ages of 6 and 18 years of age is subject to compulsory full-time education. Each person ... shall attend the public full-time day school or continuation school or classes for the full time designated as the length of the school day by the governing board of the school district in which the residency of either parent or legal guardian is located and each parent, guardian, or other person having control or charge of the pupil shall send the pupil to the public full-time day school or continuation school for the full-time designated..."

TRUANCY

E.C. 48260 states: "Any pupil subject to compulsory full-time education or to compulsory continuing education who is absent from school without a valid excuse three full days in one school year or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, is a truant..."

HABITUAL TRUANT

E.C. 48262 States: "Any pupil is deemed a habitual truant who has been reported as a truant three or more times per school year provided that no pupil shall be deemed a habitual truant unless an appropriate district officer or employee has made a conscientious effort to hold at least one conference with a parent or guardian of the pupil and the pupil himself ..."

STUDENT ATTENDANCE REVIEW BOARD (S.A.R.B.)

E.C. 48263 states: If any minor pupil in any district of a county is a habitual truant, or is irregular in attendance at school, ..., or is habitually insubordinate or disorderly during attendance at school, the pupil may be referred to a School Attendance Review Board.

CORONA DEL MAR MIDDLE / HIGH SCHOOL TARDY POLICY

Students who are tardy to class must check in with the attendance office to receive a verified admit slip to class. Tardiness to a class is to be handled at the discretion of the classroom teacher and will affect students' citizenship grades. Excessive tardiness will result in administrative consequences.

MESSAGE FROM THE NURSE

THE HEALTH OFFICE

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check <http://web.nmusd.us/healthservices> for more information.

IMMUNIZATIONS

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines. Personal/religious beliefs exemptions already on file for a continuing student enrolled in the district will remain valid until the student reaches an immunization checkpoint or grade span. Grade spans are: birth to preschool, kindergarten (including transitional kindergarten), grades 1-6, and grades 7-12.

Please let your school nurse know when your child's immunizations are updated and if you have questions.

MEDICAL EXEMPTIONS FOR IMMUNIZATION REQUIREMENTS

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

PHYSICAL EXAMS AND ORAL HEALTH ASSESSMENT

Physical exams and oral health assessments are required at specified grade levels. Please refer to student enrollment information located on the website <http://web.nmusd.us/healthservices> or school for information about school health requirements.

MEDICATION AND MEDICAL PROCEDURES

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or Health Services website <http://web.nmusd.us/healthservices>. Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders. Please provide the school with extra medication for disaster preparation.

ILLNESS PREVENTION AND HEALTH CHECKS PRIOR TO SCHOOL

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to conduct a health check at home prior to sending students

to school. If your student is ill, please keep your student home, contact your doctor, and notify the school and school nurse. We ask you to keep your student home if the following symptoms are present:

- Fever of a 100.4°F degrees or higher
- New cough, shortness of breath, or difficulty breathing
- Abdominal pain, nausea, vomiting, diarrhea
- Unusual rash, rash, and fever
- Body Aches
- Sore throat
- New loss of taste or smell
- Unusual fatigue or irritability

This list is not a comprehensive list of symptoms. Always consult your healthcare provider for health concerns. Students must be fever-free, without medication, for 24 hours before returning to school and symptoms should be resolving.

CURRENT HEALTH AND CONTACT INFORMATION

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 CALLS

A School Emergency 911 call may incur paramedic and ambulance fees to the family. Accident or health insurance may mitigate these costs.

HEALTH SCREENINGS

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Dental, nutrition, height and weight screening may also be done as the school nurse deems appropriate. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns and may “opt” out of health screenings by sending a written note to the school nurse.

MEDI-CAL PROGRAM FOR LOCAL EDUCATION AGENCIES

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

STUDENT CLUBS AND ORGANIZATIONS

Students are limited to one of the following memberships assuming they are offered admission:

Associated Student Body

Membership extended through the election process in the Spring time, followed by the appointment process which includes an application and interview process conducted by the elected officers and the ASB advisor. Membership is renewed yearly and subject to high standards of academics, attendance and behavior.

ASB stands for Associated Student Body. When ASB is referred to, it means the group of students that is selected and elected to represent the entire student body of CdMMS/HS. All members must adhere to a signed constitution.

This is the student government and leadership class of CdMMS/HS. ASB is responsible for three main objectives: providing student activities, managing the finances of the student groups on campus and representing the voice of Corona del Mar students to staff, school district, and community.

Peer Assistance Leadership

Membership extended through an application process, followed by an interview process. Membership is capped and must be renewed each year through the same application process.

P.A.L. members are held to the highest moral and ethical standards. These governing standards are set forth by the national P.A.L. philosophy and help guide the CdM chapter on campus.

P.A.L. hosts welcome events for new students, assists with evacuation procedures, and conducts several awareness campaigns throughout the year such as Yellow Ribbon Week and Appreciating Diversity week.

Student Organization Opportunities: some have formal application process, membership caps and various standards for continued involvement. Please contact each organization directly for more specific information.

H.R.C. (Human Relations Council). Application / interview process held in the Spring for the following school year.

N.H.S. (National Honor Society). Application / interview process held in the Spring for the following school year.

**Y & G (Youth and Government). Try-out process held in the Fall for the same school year. Program ends in the Spring of the same school year. Membership is for one year only, and students must re-apply. **Students may be in Y & G and another leadership group if both leadership groups approve.

E.A.T (Encouraging Altruism in Teens). Application & interview process held in the Spring for the following year.

A.Y.S (At Your Service). Application & interview process held in the Spring for the following year.

Please contact the high school Activities Director and / or visit the ASB website for information regarding how to join or start a club on campus.

1. Parking regulations will be enforced by CDM security staff and NBPD; parking permits must be properly displayed at all times.
2. Parking permits will be distributed to student drivers in good standing with attendance, discipline and grades.
3. Students must have a school-issued parking pass to park on campus and park in the student designated lots.
4. Students may not park in the faculty lot and/or designated guest or faculty spaces around campus.
5. Permits belong to the school and can be revoked at any time based on violations of these policies.

BICYCLES (INCLUDING EBIKES), SCOOTERS, AND SKATEBOARDS

All forms of student transportation are prohibited on the "inner campus".

Students may use bicycles (including eBikes*), scooters or skateboards to come to or leave school, under the following conditions:

1. Walk your eBike, scooter, skateboard, and bike at all times on campus.
2. With your own lock, secure your eBike, scooter, skateboard, and bike locked in the designated lock up area.
3. Do not leave your eBike, scooter, skateboard, or bike in the designated lock up area overnight.
4. Secured helmets are mandatory when riding your eBike, scooter, skateboard, and bike.
5. The school is not responsible for any damage, theft, or personal injury.
6. Must not be parked in a manner that blocks any ingress or egress areas of the campus.
7. Must be parked in a designated area(s).
8. Any of these items left in undesignated areas may be moved and/or subject to confiscation and parent pick-up.

Use of hoverboards, Class 3 eBikes (Per CA AB1096), and any other motorized vehicle are prohibited on campus by students.

EBIKES

For the safety of all, anyone using an eBike, must only park in designated areas. When arriving at, or on any part of the school campus, all traffic signs, site procedures, and protocols for community safety should be followed. All are expected to abide by all traffic rules and follow directions of school personnel, as safety is our top priority.

Reckless driving, failure to follow the direction of school personnel, or other serious driving violations will be decided by the school's administrator and may result in consequences. In some circumstances, law enforcement may be called and may elect to issue additional consequences.

Middle school – Class 3 eBikes (Per CA AB1096), and any other motorized vehicle are prohibited on campus by students. Any students with a Class 3 eBike on campus will have the eBike confiscated and parent pick-up will be required. [*Use of Class 3 eBikes (Per CA AB1096) requires the operator to be a minimum of 16 years old.]

SKATEBOARDS

Skateboarding is not allowed on the school campus at any time. Motorized skateboards are not allowed on campus at any time. Skateboarding is a reasonable form of transportation for many students; however, the school may have no facilities to store skateboards. Furthermore, skateboarding on campus represents a dangerous risk of injury and damage to property. The school is not responsible for any damage or loss of skateboards, or personal injury from skateboarding.

OFF-CAMPUS LUNCH POLICY

- Juniors and seniors may leave campus for lunch with the expectation that they obey all traffic safety laws, do not transport underclassmen and return to campus in time for their next class.

CIVILITY POLICY

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.
4. Repeatedly interrupting another person who is speaking at an appropriate time and place.
5. Imposing personal demands at times or in settings where they conflict with another's assigned duties, supervision responsibilities, and established practices.
6. Using racial/ethnic, religious, religion, gender, color, sexual, sexuality, or disability epithets.
7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. Nothing in

this policy is intended to interfere with the ability of school officials to maintain order and discipline in the schools or to enforce school rules and applicable laws.

DANGEROUS OBJECTS/WEAPONS

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy (BP [3515.7](#), [5131.7](#), AR [5131.7](#)) state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

DRUGS/ALCOHOL/TOBACCO/OTHER CONTROLLED SUBSTANCES

ENGLISH LEARNER SUPPORTS/RECLASSIFICATION

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English Learner Students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered ELD and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion at College Park Elementary School/Costa Mesa Middle School, and Spanish Dual-Immersion at Whittier Elementary School/Ensign Intermediate School. To learn more about NMUSD dual immersion programs, please visit the NMUSD Dual Immersion webpage: <https://web.nmusd.us/dualimmersion>.

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including English language development (ELD) standards.

Parents/Guardians may choose a language acquisition program that best suits their child. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English Learner students take a test called the Summative English Language Proficiency Assessment for California (ELPAC). This test is part of the California assessment system and is aligned with California's English Language Development Standards.

These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing— so they can be successful in the classroom. The ELPAC helps teachers across the state see how well students are doing with those skills.

Your child's student score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The ELPAC Web site at <https://web.nmusd.us/elpac> has the following materials to help parents understand the ELPAC. These materials include:

- Sample ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my child qualify to reclassify as Fluent English Proficient (RFEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. HOMELESS LIAISON/MCKINNEY VENTO

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-3691.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

- Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.
- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth. Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-3691.

IMMIGRATION STATUS OF PUPILS

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.
- In California:
 - All children have the right to a free public education.
 - All children ages 6 to 18 years must be enrolled in school.
 - All students and staff have the right to attend safe, secure, and peaceful schools.
 - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.

- All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student’s parent or guardian to demonstrate proof of child’s age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported

You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported. You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated, or bullied on the basis of his or her actual or perceived nationality, ethnicity, or immigration status.

MENTAL HEALTH AND WELLNESS

In an effort to continuously support our commitment to promoting the health, safety, and well-being of students, parents, and staff, the Newport-Mesa Unified School District has a variety of resources available both at your school site as well as within the community. To access these supports and for more information about the services available, please contact your school mental health provider (school counselor, school psychologist, or school social worker) or your school’s administrator.

The district has partnered with Care Solace. Care Solace is an online resource with a live 24/7 concierge meant to assist individuals in finding local mental health related programs and counseling services. For more information, visit the [NMUSD Care Solace website](#).

Additional resources, including Suicide Prevention, can be found on the [NMUSD Mental Health and Wellness website](#) and the [NMUSD Family Resources website](#).

PROFESSIONAL QUALIFICATIONS OF TEACHERS

The Every Student Succeeds Act (ESSA) grants parents the right to request information regarding the professional qualifications of the children's classroom teachers, including the following:

- (1) whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- (2) whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- (3) the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- (4) whether the child is provided services by paraprofessionals and, if so, their qualifications.

The District will provide timely notice if your child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who is not highly qualified.

PUPIL FEES

A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity.

A pupil fee includes, but is not limited to, all of the following:

1. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
2. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
3. A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

A number of laws do authorize specific fees a school or district may charge. Please note the law does not prohibit a school district or its programs from requesting voluntary donations or engaging in fundraising activities and programs. These donations and fundraising financial contributions are voluntary, and all students will be allowed to participate in school activities and extracurricular activities regardless of whether the parent or legal guardian makes a donation or contribution.

Allegations of unlawful pupil fees are addressed through Board Policy [1312.3](#) - Uniform Complaint Procedures. Complaints regarding pupil fees may be filed anonymously if the complainant provides evidence

or information leading to evidence to support the complaint. A pupil fees complaint may be filed with the school site principal.
