Student Drop-off & Pick-up

DO NOT drop off students before 8:25 am. There is no supervision.

25 MPH School Zone...Remember to obey the speed limits for the safety of our students.

Drop-off Procedures

1. No parking, stopping or dropping-off in the Red Bus Zone on Vista Del Oro. The buses will stop in the red zone on the street in front of the school marquee.
2. The left lane in the drive-thru area will be **ONLY** a drive-thru lane. **NO DROP-OFF** from this lane.
3. The **RIGHT LANE ONLY** (next to sidewalk) is for **DROP-OFF**. You must advance **ALL THE WAY FORWARD** for safety and efficiency. Once your child has left the car, wait for the lane to clear in front of you before leaving the lot. **DO NOT CROSS OVER** into the left lane.
4. If you are bringing bikes or scooters to be dropped off with your child, please park in the overflow parking lot or the street to unload. Please do not use the drop-off lane, as this will congest the lane.
5. Parents should remain in their cars. Do not leave your car unattended in the drop off zone.

Pick-Up Procedures

1. Both right and left lanes will be available for pick-up. Please follow signs and directions from Staff and Volunteers to ensure a safe, efficient traffic flow.
2. If you get to the front of the line and you see that your child is not in the release area, please pull forward and to the right as a courtesy to the other drivers.

RAINY DAYS...please follow the same procedures. Be patient and considerate. Traffic **WILL BE** heavier. Students go straight to classrooms. No flag deck.

STAFF PARKING LOT...the lot in front of the school is designated for Staff. This area is blocked off for drop-off. Please do not go into the area to let children out. It is not safe to walk through traffic to get onto school grounds from the staff lot.

*If you need to have a conversation with another person, please park your car rather than hold up the line.

We appreciate your cooperation with these procedures. It will require patience and planning from each family, but it is the safest method of traffic flow for our school's lot. We welcome any positive, constructive comments or suggestions.

Bicycles (Including eBikes), Scooters, And Skateboards

Students may use bicycles (including eBikes*), scooters or skateboards to come to or leave school, under the following conditions:

1. Walk your eBike, scooter, skateboard, and bike at all times on campus.
2. With your own lock, secure your eBike, scooter, skateboard, and bike locked in the designated lock up area.
3. Do not leave your eBike, scooter, skateboard, or bike in the designated lock up area overnight.
4. Secured helmets are mandatory when riding your eBike, scooter, skateboard, and bike.
5. The school is not responsible for any damage, theft, or personal injury.
6. Must not be parked in a manner that blocks any ingress or egress areas of the campus.
7. Must be parked in designated area(s).
8. Any of these items left in undesignated areas may be moved and/or subject to confiscation and parent pick-up.
9. School is not responsible for property damage resulting in the necessity to move items that are posing a safety concern and/or not parked in designated areas.

Use of hoverboards, Class 3 eBikes (Per CA AB1096), and any other motorized vehicle are prohibited on campus by students.

*Use of Class 3 eBikes (Per CA AB1096) requires the operator to be a minimum of 16 years old.

eBikes

For the safety of all, anyone using an eBike, must only park in designated areas. When arriving at, or on any part of the school campus, all traffic signs, site procedures, and protocols for community safety should be followed. All are expected to abide by all traffic rules and follow directions of school personnel, as safety is our top priority.

Reckless driving, failure to follow the direction of school personnel, or other serious driving violations will be decided by the school's administrator and may result in consequences. In some circumstances, law enforcement may be called and may elect to issue additional consequences.

*Elementary Schools – Class 3 eBikes (Per CA AB1096), and any other motorized vehicle are prohibited on campus by elementary and middle school students. Any students with a Class 3 eBike on campus will have the eBike confiscated and parent pick-up will be required.

Skateboards

Skateboarding is not allowed on the school campus at any time. Motorized skateboards are not allowed on campus at any time. Skateboarding is a reasonable form of transportation for many students; however, the school may have no facilities to store skateboards. Furthermore, skateboarding on campus represents a dangerous risk of injury and damage to property. The school is not responsible for any damage or loss of skateboards, or personal injury from skateboarding.

Student Attendance Policies

Tardiness

Eastbluff Elementary School staff, parents and students focus on student success. We want to optimize our instructional minutes to ensure the maximum attention to student learning. Important learning takes place from the first minute of the school day. Punctuality is an important life skill to teach children. Students arriving at school on time will cut down on classroom disruptions.

School starts for all grade levels at 8:40 a.m. Children must be in line with their class at Flag Deck to be “on time”. There is a warning bell at 8:38 a.m. At the 8:40 a.m. bell, if a child is not in line with their class, they are tardy.

On Rainy Days, students should go directly to their classrooms (no Flag Deck). Allow extra time since traffic will be heavier on rainy days.

Parents, teachers, and students support the Eastbluff Tardy Policy. Classes are energized and challenge themselves to have NO tardies. Students should be at school every day on time in order to maximize learning.

Absence

State law requires an excuse whenever a child is absent and/or tardy, giving good and sufficient reason. If a student is absent, PARENTS MUST NOTIFY THE SCHOOL BY TELEPHONE using our **24-Hour Attendance line / 949-515-6857** before 9:00 am **each day** your child is going to be absent for ANY reason. Please speak clearly. Identify yourself, leave your child's first and last name, date(s) of absence(s), grade, teacher and reason for being absent (illness, trip, Dr. appt., etc.). Please bring a Dr., DDS note. This is for the protection of your child.

Whenever a student is absent from school or class, the actual reason for the absence shall be determined by a qualified school employee. All absences must be verified to the office no later than three (3) school days after the absence. If the absence is not verified, it will automatically be converted to a truancy (“cut”). A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition. Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible.

Supervision

Students may be dropped off for Flag Deck from 8:25 - 8:40 a.m. When there is an adult on duty. Students are not to arrive before 8:25 am. Please pick up your child promptly at their dismissal time.

Doctor/Dental appointments

Appointments should be made for after school if at all possible. A written note is required to be excused for a medical or dental appointment from the doctor's office. The note should be presented to the teacher, who sends it to the office. If you are bringing your child to school after an appointment you **MUST** check your child into the office with the note. **It is required by State law that students have a note from the doctor's office when returning to school, otherwise the child's absence is not excused.**

Office Phone Calls

The use of the office phone is made available to students for emergency calls only. We ask that you take care of all arrangements for the day (such as play dates, going to a friend's house, reminders of after-school sports/appointments, etc.) before your children leave for school. We discourage interrupting the educational day for personal phone calls.

Early Dismissal

For the protection of the student, no student is permitted to leave the school grounds at any time during the day unless accompanied by a parent/guardian or their delegate. A written request from the parent or guardian must be submitted if a student is to leave school during the day. The note must indicate who will pick them up. **YOU MUST FIRST COME TO THE OFFICE TO SIGN THE CHILD OUT then we will call for him/her in the classroom.** This is to protect the child from being taken from school without your permission.

Unexcused Absences / Vacations

The Newport-Mesa Unified School District is committed to providing each student a world-class education. This commitment can only be realized if all stakeholders, parents, students, and the school participate fully in the educational process. The academic school year consists of 180 days of instruction for students. In addition there are 30 student holidays during the 2023-24 school year. They are listed below for your reference.

- | | |
|---|-----------------------------|
| • September 4, 2023 | Labor Day |
| • October 25, 2023 | Conference Day (TK-6) |
| • November 1, 2023 | Staff Development Day |
| • November 10, 2023 | Veterans' Day |
| • November 22 - 24, 2023 | Thanksgiving Recess |

| • April 8 - 12, 2024 | Spring Recess |
| • May 27, 2024 | Memorial Day |

We encourage families to plan their vacations on the dates listed above. A vacation absence is considered to be an unexcused absence. If you choose to take vacation on days other than school holidays and are absent for five consecutive days (unexcused absence), your child may not be guaranteed the same classroom assignment and/or school. This administrative practice would only be implemented if the classroom seat is needed for a new student. Each individual school site will determine the academic responsibility of students absent due to vacation and will assign student work as appropriate, but the school cannot be responsible for providing a full, independent study course during the absence.

Excused Absences (EC §§48205, 48980)

The California State Education Code Section 48205 outlines when a child shall be excused from school. This Section of the Education Code includes illness, medical or dental services, attendance at a funeral service, the illness or medical appointment of a parent, and for justifiable personal reasons approved by the principal. Your child will be allowed to complete all assignments and tests missed during such an excused absence. Students would not be in jeopardy of losing their seat at a school due to an excused absence.

Absences For Religious Purposes (EC §546014, 48980)

With your written consent, your child may be excused from school in order to participate in religious exercises or to receive moral and religious instruction at your child's place of worship or at other suitable place or places away from school property designated by the religious group. Your child may not be excused from school for this purpose on more than four days per school month.

Education Code §48205

- (3) For the purpose of having medical, dental, optometrical, or chiropractic services rendered.

- (5) For the purpose of jury duty in the manner provided for by law.
- (6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.
- (7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at a religious retreat, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization, when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board of the school district.
- (8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
- (9) For the purpose of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
- (10) For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
- (11) For the purpose of participating in a cultural ceremony or event.
- (12) (A) For the purpose of a middle school or high school pupil engaging in a civic or political event, as provided in subparagraph (B), provided that the pupil notifies the school ahead of the absence.
(B) (i) A middle school or high school pupil who is absent pursuant to subparagraph (A) is required to be excused for only one schoolday-long absence per school year.
(ii) A middle school or high school pupil who is absent pursuant to subparagraph (A) may be permitted additional excused absences in the discretion of a school administrator, as described in subdivision (c) of Section 48260.
- (13) Authorized at the discretion of a school administrator, as described in subdivision (c) of Section 48260.

(b) A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

(c) For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.

(d) Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.

Amended by Stats. 2022, c. 921 (S.B.955), § 1, eff. Jan. 1, 2023.)

Emergency Procedures

Our school has emergency procedures in our comprehensive school safety plan and conducts training with staff on a regular basis. We conduct monthly fire drills on our campus for students and staff to practice safety evacuation procedures. Additionally, we include earthquake preparedness drills, disaster drills, and intruder lockdown drills throughout the year.

We have implemented the “I Love U Guys” Standard Response Protocol (SRP), which is a uniform, planned and practiced response to an incident. It defines the five actions to take in an emergency: Hold, Secure, Lockdown, Evacuate, and Shelter. Staff and student trainings are conducted annually at the start of the school year to familiarize ourselves with the emergency actions, and fire, lockdown, secure, earthquake, and disaster drills are conducted throughout the year. In collaboration with local law enforcement and school resource officers (SROs), safety drills utilize the common language defined in the SRP. Please familiarize yourself with the five SRP actions so that in the event of an emergency, you have a clear understanding of the action being taken to support immediate safety efforts. Corresponding signage with descriptions of the five actions are displayed throughout our schools.

In the event of an earthquake or disaster, we have established the following procedures for the safety of all school occupants:

- Absolutely no parking in the parking lot to allow emergency vehicles access.
- Do not enter the school building. Rescue teams are equipped for this purpose.
- Report to the Reunification Center in front of the school office to pick-up your child.
- Reinforce the necessity of your child remaining at school until an adult listed as an emergency contact in Aeries arrives to pick them up.

Emergency dismissal may be made at any time by the principal or her delegate when a serious condition such as natural disaster, power failures, or other circumstance warrants. If an emergency occurs outside of school hours, please listen to your radio for instructions on school closure.

Eastbluff has a well-developed plan should a disaster occur at school. There are emergency supplies in well-protected storage for emergencies. If a disaster results in no structural damage to buildings, we will proceed with our regular schedule, including regular dismissal time and bus schedules. We will evacuate the buildings immediately, check for damage or danger, and if there is none, we will return to the classrooms and “carry on”. However, if the disaster results in damage to buildings or individuals, the procedure will be different. If streets should be impassable or walking home from school or home conditions possibly dangerous, students will be kept on campus. Students will be released to parents, guardians, or other authorized persons. Whatever the disaster conditions may be, be assured that the principal and other administrators, acting on the advice of local emergency services personnel, will use their best judgment in deciding when to release students from school.

Earthquake Reunion Plan

1. A student release table will be set up on the school grounds. Students will be released from this table only. (Students will be released to persons listed on their emergency release cards.)
2. When you come to the student release table, a runner will be sent to locate the student and bring him/her to the release table.

3. Uninjured students will be cared for and released immediately to their parents or guardians. Students will be released to adults listed on the emergency release card only.
4. Injured students will be released after the injuries have been evaluated and mutual agreement to release has been verified.

Discuss these procedures with your children so they will know what to do and where to go in an emergency. They should be familiar with the people you have chosen to pick them up.

Bicycles, Razors and Scooters

You must be in grades 3-6 to ride a bike or razor without a parent.

All bikers, razor-riders, and students walking home with or without parents are to exit at the front-office gate. All student riding razors, skateboards, or bikes must wear a helmet. Class 3 e-bikes are not allowed on our campus since they can only be legally ridden by individuals 16 years of age or older.

Please, discuss the following safety precautions with your child(ren):

1. Learn the most direct route to and from school (Walk it with them).

2. Walk to and from school with a friend or friends.
3. Walkers (pedestrians) have the right of way. If you are on a bike or razor, you must yield to a pedestrian.
4. Cross at corners/crosswalks.
5. Do not talk or walk with strangers.
6. Do not go to a stranger's car.
7. Tell your parents or teacher and someone in the office if a problem occurs on the way to or from school.

Snack/Lunch

Food may only be eaten at the lunch tables and is not allowed on the playground. Please discard all trash. Wait to be excused by a member of our staff.

School Property

We ask that students treat school property with respect.

- Graffiti - no drawing on anything including books, desks, walls, and playground equipment.
- Bathrooms - no playing in the bathrooms at any time.
 - Place all trash in the trash cans in the bathrooms
 - Use faucets, sinks, and drinking fountains appropriately

Cell Phone Policy

Students in elementary school may not use cell phones, smartphones, smart watches or other mobile communication devices while on campus. Devices must be turned off and placed out of sight during the school day. Students who need to call parents may use phones located in the administrative office.

Please review [Board Policy 5131.8](http://www.nmusd.us) at www.nmusd.us.

We understand the importance for some of our students to carry cell phones for emergency use after school. During school hours, students are asked to be responsible for keeping cell phones in a safe place in their backpacks and in the off position to avoid classroom disruptions.

Students may use phones in the school office (with teacher permission) to contact their parents if they have an emergency during the school day. Should you need to reach your child, please contact the school office and a message will be given to your child. Please discuss after-school arrangements with your children prior to leaving home for the day to avoid classroom interruptions. We will be happy to assist you should there be last minute changes.

To ensure the safety of our students, Eastbluff School has policies in place to monitor the internet content to which your child has access on our school computers. We cannot control the content they may have downloaded at home to their cell phones or music players. For this reason, students may not use cell phones or other electronic devices anywhere on our campus during the school day. If students are observed using cell phones or other electronic devices during school hours, the items will be kept in the school office and we will ask you to make arrangements to pick them up. We thank you for your support of our Cellular Phone policy.

Dress Code

Eastbluff students are encouraged to arrive at school dressed appropriately for learning. Student appearance must not distract from the learning process. Modest dress is required. Shoes must be worn at all times. Students are asked to wear closed-toe shoes while on the playground and in physical education classes for safety reasons. Please reference the District Student Dress Code Policy 5132 for more details.

Personal Belongings/Lost and Found

All personal belongings should be clearly marked with your child's first and last names. Lost articles of clothing, lunch bags, and backpacks may be retrieved from the Lost and Found racks in the Multi-purpose Room (MPR). Toys and electronic games/devices are not permitted at school. Two or three times each year (during our Fall and Winter festivals and Spring Fling), our Maintenance team will bring all lost and found items outside for parents to go through and claim items. Parents are always welcome and encouraged to visit the Lost and Found area in the MPR to claim misplaced items. At the end of the school year, all items unclaimed will be donated to local homeless shelters.

A Message from the Nurse

The Health Office

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check <http://web.nmusd.us/healthservices> for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines. Personal/religious beliefs exemptions already on file for a continuing student enrolled in the district will remain valid until the student reaches an immunization checkpoint or grade span. Grade spans are: birth to preschool, kindergarten (including transitional kindergarten), grades 1-6, and grades 7-12.

Please let your school nurse know when your child's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Physical Exams and Oral Health Assessment

Physical exams and oral health assessments are required at specified grade levels. Please refer to student enrollment information located on the website <http://web.nmusd.us/healthservices> or school for information about school health requirements.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or Health Services website <http://web.nmusd.us/healthservices>. Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to conduct a health check at home prior to sending students to school. If your student is ill, please keep your student home, contact your doctor, and notify the school and school nurse. We ask you to keep your student home if the following symptoms are present:

- Fever of a 100.4°F degrees or higher
- New cough, shortness of breath, or difficulty breathing
- Abdominal pain, nausea, vomiting, diarrhea
- Unusual rash, rash, and fever
- Body Aches
- Sore throat
- New loss of taste or smell
- Unusual fatigue or irritability

This list is not a comprehensive list of symptoms. Always consult your healthcare provider for health concerns. Students must be fever-free, without medication, for 24 hours before returning to school and symptoms should be resolving.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

A School Emergency 911 call may incur paramedic and ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Dental, nutrition, height and weight screening may also be done as the school nurse deems appropriate. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns and may “opt” out of health screenings by sending a written note to the school nurse.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

The School Nurse

Eastbluff Elementary has a full-time Health Assistant from the hours of 9:00 am to 2:30 pm. The School Nurse is on duty one day a week from 9:00 am to 2:30 pm.

Nutrition

Newport-Mesa Unified School District takes part in the National School Lunch and Breakfast Programs. Students may bring a lunch to school or receive a breakfast and/or lunch from the cafeteria at no cost. Forgotten Lunches/Lunch Money

Please label lunches and put lunch money in an envelope clearly marked with the students' name, room number, and teacher's name, and leave in the office for students to pick-up during recess or lunch time. Parents may not interrupt classes to drop off lunches or money; nor deliver to students at the lunch tables.

After School Hours

Children must go directly to and from school each day unless otherwise directed by parents. Please make all after-school arrangements before the start of the school day. Since supervision is not provided after school, we cannot allow children to play on the school grounds after dismissal. Please be on time to pick up your child daily.

Birthday and other Parties/Celebrations

We would like to share in the excitement of your child's birthday. We have a special way of celebrating through the donation of a book to your child's classroom. We ask that you do not bring a sugary treat to the class, but rather donate a book that the children will share throughout the year. **Note: Invitations should not be distributed at school.**

Pets

We love them, but safety must rule!

1. Animals are not allowed on campus.
2. Pets are allowed for brief visits if prior approval has been obtained from the teacher and Principal. All pets must be in approved cage or container and must remain outside.
3. Visiting pets must stay outside of the classroom and must be taken home by parent after children have seen them. (Allergies and Safety must be our priority)

Toys

Toys, games, trading cards, athletic equipment, and electronic equipment may not be brought to school.

GATE

Students in grades 4-6 who qualify for GATE are placed in clusters, as required by the State, in classrooms at Eastbluff Elementary. Teachers, trained in differentiated instruction, deliver a challenging curriculum to all students. The students receive a curriculum that enriches academically strong students who thrive with divergent thinking. The learning style and needs of each student are accommodated. The program focuses on critical, creative, and logical thinking skills and problem solving.

Students qualify for GATE through assessment in third grade for fourth grade placement. Students in grades 4-6 may also be referred. Testing for GATE referral is by trained teachers at the site in the spring and the results are forwarded to the District GATE office for evaluation and placement. Parents may discuss possible referral at the fall parent-teacher conference.

Visitors/Volunteers

All visitors to NMUSD school sites must check in at the school front office and will be required to be cleared through the Raptor visitor management system.

A volunteer is a parent, community member or other adult who is assisting at a school site or program before, during or after school hours. To be considered as a volunteer, you will need to submit an application for review. The application and more details on this process can be found at: www.nmusd.us/volunteers.

Volunteers must renew their volunteer clearance every school year during the renewal period (June 1st - June 30th).

Parent and Family Engagement

Eastbluff Elementary School has a written policy jointly developed with parents on parent rights and responsibilities. [Education Code 1101(b)]. It has distributed the policy to parents of students. Eastbluff School Parent-School-Student Compact was written and updated with parent input. This will be included in the Parent Student Handbook which is distributed to all parents annually the first week of school. Eastbluff School policy describes the means for carrying out the following parental involvement requirements. Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that

is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.
4. Repeatedly interrupting another person who is speaking at an appropriate time and place.
5. Imposing personal demands at times or in settings where they conflict with another's assigned duties, supervision responsibilities, and established practices.
6. Using racial/ethnic, religious, religion, gender, color, sexual, sexuality, or disability epithets.
7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. Nothing in this policy is intended to interfere with the ability of school officials to maintain order and discipline in the schools or to enforce school rules and applicable laws.

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy (BP [3515.7](#), [5131.7](#), AR [5131.7](#)) state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades),

chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

Drugs/Alcohol/Tobacco/Other Controlled Substances

Students possessing, using or selling alcohol or other drugs or related paraphernalia shall be subject to disciplinary procedures including suspension or expulsion and/or referral to law enforcement in accordance with law, Board policy and administrative regulation. In addition, such students may be referred to an appropriate counseling program, transferred to an alternative placement, and/or be restricted from extracurricular activities, including athletics.

Students shall not possess, smoke, or use tobacco or any product containing tobacco or nicotine while on campus, while attending school-sponsored activities, or while under the supervision and control of district employees.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English Learner Students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered ELD and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion at College Park Elementary School/Costa Mesa Middle School, and Spanish Dual-Immersion at Whittier Elementary School/Ensign Intermediate School. To learn more about NMUSD dual immersion programs, please visit the NMUSD Dual Immersion webpage: <https://web.nmusd.us/dualimmersion>.

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including English language development (ELD) standards.

Parents/Guardians may choose a language acquisition program that best suits their child. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts

remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English Learner students take a test called the Summative English Language Proficiency Assessment for California (ELPAC). This test is part of the California assessment system and is aligned with California's English Language Development Standards.

These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing— so they can be successful in the classroom. The ELPAC helps teachers across the state see how well students are doing with those skills.

Your child's student score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The ELPAC Web site at <https://web.nmusd.us/elpac> has the following materials to help parents understand the ELPAC. These materials include:

- Sample ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my child qualify to reclassify as Fluent English Proficient (RFEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. The district's reclassification criteria are listed below.

Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District’s liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-3691.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

- Temporarily staying with other people, often called “doubled up”, because you cannot afford to live alone. This can include sharing another person’s house, such as a friend or relative, because you lost your housing or don’t have another safe place to go.

- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-3691.

Immigration Status of Pupils

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.
- In California:
 - All children have the right to a free public education.
 - All children ages 6 to 18 years must be enrolled in school.
 - All students and staff have the right to attend safe, secure, and peaceful schools.
 - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
 - All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student "directory information." If they do, then each year, your child's school district must provide parents/guardians with written notice of the school's directory information policy, and let you know of your option to refuse release of your child's information in the directory.

Family Safety Plans if You Are Detained or Deported

You have the option to provide your child's school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported. You have the option to complete a Caregiver's Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

NMUSD Parent and Family Engagement Policy

The Board of Education recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent/guardian and family engagement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall consult with parents/guardians to develop meaningful opportunities for parents/guardians and to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

The district's Local Control and Accountability Plan (LCAP) shall include goals for parent/guardian involvement, as well as the actions, and services that support those goals. This includes district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, and school staff on the adequacy of parent involvement opportunities and barriers that may inhibit parent/guardian participation.

Title I Schools

The Superintendent or designee shall involve parents/guardians in establishing district expectations and objectives for meaningful parent/guardian and family engagement in schools supported by Title I funding, developing strategies that describe how the district will carry out each activity listed in 20 USC 6318, as contained in the accompanying administrative regulation, and implementing and evaluating such programs, activities, and procedures. As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians. (Education Code 11503; 20 USC 6318)

When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities and shall ensure that priority is given to schools in high poverty areas in accordance with law. (20 USC 6318, 6631)

Expenditures of such funds shall be consistent with the activities specified in this policy and shall include at least one of the following: (20 USC 6318)

1. Support for schools and nonprofit organizations in providing professional development for district and school staff regarding parent/guardian and family engagement strategies, which may be provided jointly to teachers, principals, other school leaders, specialized instructional support personnel, paraprofessionals, early childhood educators, and parents/guardians
2. Support for programs that reach parents/guardians at home, in the community, and at school
3. Dissemination of information on best practices focused on parent/guardian and family engagement, especially best practices for increasing the engagement of economically disadvantaged parents/guardians
4. Collaboration with community-based or other organizations or employers with a record of success in improving and increasing parent and family engagement
5. Any other activities and strategies that the district determines are appropriate and consistent with this policy

The Superintendent or designee shall ensure that each school receiving Title I funds develops a school-level parent/guardian and family engagement policy in accordance with 20 USC 6318.

Non-Title I Schools

The Superintendent or designee shall develop and implement strategies applicable to each school that does not receive federal Title I funds to encourage the involvement and support of parents/guardians in the education of their children, including, but not limited to, strategies describing how the district and schools will address the purposes and goals described in Education Code 11502. (Education Code 11504)
