KINDERGARTEN / PRE-K STUDENT BUS STOP PICK-UP

It is the parent/guardian's duty to designate someone to receive and be responsible for their kindergarten or pre-k child if they are unavailable. This person may be an older sibling, a neighbor, a neighbor's older child, or anyone the parent wishes to designate as a responsible individual for the child. This individual has to be at the bus stop in order for a kindergarten / pre-k student to be released from the bus, or the child will be taken back to the bus garage, and the parent will be notified to pick up the child there.

Please list the names of the individuals who may be responsible for your child. If any of those individuals are older siblings or older neighbor children currently enrolled in school, please give the grade level of the child. **A maximum of four (4) individuals, including parents/guardians, may be listed.**
