

RediMD gives you the option to have a regular doctor's visit online

- *For those times when it is difficult for you to travel to a doctor's office*
- *When your primary care physician is not available*

RediMD provides primary medical care online via webcam. You can see and speak with a physician or other medical professional who can diagnose, recommend treatment and prescribe medications if needed.

RediMD service is available for you to use

- At work at our clinic workstation during working hours
- At your home* during days, nights, and weekends for you and your family

RediMD is provided to all SFISD employees at no cost for use at the kiosk at work, or from home. Your family members may also use this benefit for no copay.

REDIMD TREATS MOST PRIMARY CARE AILMENTS INCLUDING, BUT NOT LIMITED TO:
