Ballou Field and Building Access Picture Index

1

For building access from eastern ADA stalls at Ballou, follow the sidewalk onto the crosswalk, and up the curb cut. Continue east along this sidewalk to the front doors of the main building.

2

For field access from the western ADA stalls at Ballou, use the crosswalk and curb cut to reach the main sidewalk on the north side of the building. Head east and continue through the gates between the two main buildings. Follow the sidewalk south toward the portables, and continue on the asphalt pathway between the portables, and through to the field.
