1

From the ADA stalls in the parking lot, continue up the asphalt ramp to the sidewalk. Note that these ramps do not meet all ADA standards. For building access, continue east on the sidewalk, and use the front doors.

2

For field access, head west on the sidewalk from the parking lot. At the end of the sidewalk, there is a vehicle gate, and a "Field Entrance" sign. Note that the curb cut at the end of this sidewalk does not meet all ADA standards. Use this vehicle gate to gain access to the field. The gate is locked at most times. A key can be obtained from Security. Follow the asphalt pathway to whichever field you need.
