ADA parking stalls at Ferrucci. Note that the stalls and curb cuts do not meet all ADA standards. For building and/or field access, use the crosswalk toward the curb cut.

2

For building access, use the curb cut and continue south along the sidewalk, and around to the front of the building. For field access, continue north on the asphalt.

3

Follow the asphalt to the north end of the parking lot, and continue down the path by going through the vehicle gate. This gate is often locked. A key may be obtained from Security. For field access, follow the path east, down toward the field.
