

National Honor Society
Chapter 8124
Mahwah High School
Tutoring Program Information

Welcome to the NHS tutoring program! As a service to the community and students of the Mahwah School District, NHS students may be available as student tutors. Please read the guidelines below carefully. Questions regarding this program may be directed to the MHS NHS Adviser, Mrs. Christin Freet: 201-762-2300 x7169 or cfreet@mahwah.k12.nj.us

1. Tutors will be assigned upon request. **Tutor Request Forms** may now be submitted digitally. You may find our link under “Student Life” → “Honor Societies” → “National Honor Society”, or on the Guidance page under “Forms”.
2. Tutors are assigned on a first come, first served basis. If no tutor is available at the time the request is made, your request will be placed on a waiting list.
3. Any tutor working with a student *outside* of Mahwah High School will be paid a fee of \$15 per hour by the tutee **at the time of service**. Payment must be made directly to the tutor, at the time of tutoring.
4. Tutors will meet with their assigned tutees ONCE per week for one hour. Please understand that the tutors are Mahwah High School students, NOT teachers. We provide services to *aid* your child, not to *teach* your child a subject. Additionally, tutors are not permitted to meet more than once per week, as we must be mindful of their own academic responsibilities as MHS students.
5. Only ONE tutor will be assigned per student.
6. No tutor is permitted to be alone with any child at any time. For this reason, tutors must meet tutees at the Mahwah Public Library. No tutor is permitted to meet in the home of any child. *To further protect the health and safety of our students, tutoring may be done virtually.*
7. No tutor may transport a child in his or her car.

I have read the aforementioned guidelines and understand that violating this agreement may result in the removal of an assigned tutor.
