Grandview Elementary School Kindergarten Supply List (2023/2024)

Welcome to Kindergarten! Throughout the year, we will be completing many projects that require the use of school supplies. We have created a list of suggested items but please remember *you are not obligated to purchase them*. One item that your child will need is a backpack to carry between home and school.

Our supplies will be shared among the children in the classroom in order to build a sharing and caring community, so please do not label any supplies with your child's name. If you have any questions regarding this list, please contact your child's teacher during the first week of school. ***You may bring your supplies to the Kindergarten Open House.

Thank you in advance for helping your child have a successful year in kindergarten. We are looking forward to meeting you and your child!

Sincerely,
The Kindergarten Team
