4. Lead Paint

In order to comply with the United States Environmental Protection Agency's Renovation, Repair and Painting Program Rule, LCSD maintenance and custodial employees have been educated to closely monitor any area where lead paint could be present under newer, lead-free paint. In addition, three individuals with Lead Renovator Certification in Oregon are employed by the district's maintenance department. District Facility Operators inspect all buildings according to an established preventative maintenance program. In the event that degradation of a painted surface is discovered, the area is tested for lead content and proper containment or removal measures are taken. LCSD contracts only with certified lead based paint renovation contractors licensed by the Oregon Construction Contractors Board.

5. Asbestos

Lebanon Community School District complies with the federal Asbestos Hazard Emergency Response Act (AHERA). All required asbestos management plans are available for viewing by submitting a request to Paula Shoulders.

6. Radon

Lebanon Community School District has developed a radon plan as required by ORS 332.167. Community members can access a copy of the radon plan here: [LCSD Radon Plan](#) Test results will be made public and are available here: www.lebanon.k12.or.us
