Gender Documentation & Name Change Requests

MPS seeks to support students and parents in the process of changing the students preferred name on documentation that circulates around school and on attendance rosters. The District is required to maintain a mandatory permanent pupil record (“official record”) that includes a student’s legal name and legal gender. However, as stated above, the District is not required to use a student’s legal name and gender on other school records or documents. The District will also change a student’s official record to reflect a change in legal name or legal gender upon receipt of documentation that such change has been made pursuant to a court order. MPS is committed to creating a diverse, equitable, and inclusive culture in our schools and maintains a commitment to supporting transgender and gender nonconforming youth. To request a “preferred name change” please contact your building principal. Students over the age of 18 may initiate this process on their own, but parent consent will be required for minors. The building administrator will support a minor student by facilitating the parent meeting and discussion upon request.
