A.D. report: Darren presented. A question was asked as to why the baseball teams and softball teams can't share the covered batting cages by the fieldhouse gym. Darren explained that the softball team funded that. Someone asked about all-conference voting and how it happens. Darren explained that coaches nominate their players then the other coaches from other teams do the voting. Darren said there will be a rededication of Don Carey Court on December 18th during the time between the girls and boys varsity games. The Boosters were asked to help, provide cake, refreshments, etc. It was asked if the school has insurance to cover the stolen soccer bench covers.

Booster Incentives: Randy presented his ideas. He will be using Booster Bucks and each person who attends a monthly meeting will receive a Booster Buck and at the end of the year (June) they can be used to cash in and money will go to the team of their choice.
