Dear Parent/Guardian,

Our school physician has written standing orders for the following medications to be dispensed to students in grades **K-8** during the school day. Medication will only be dispensed at the discretion of the School Nurse.

Medications dispensed are:

1. Children's liquid, chewable, or tablets Tylenol (or generic equivalent) or Motrin suspension, or tablets (or generic equivalent) for headache, toothache, earache, muscle aches, and fever.
2. Tums chewable tablet (or generic equivalent) for upset stomach, nausea, or acid indigestion.
3. Benadryl (or generic equivalent) for allergy symptoms, or hives.
4. Cough drops are available, as needed, for students in grades 1-8. Students need to request a cough drop from the nurse, and may not carry any on them during the school day.

Please check below the medication you **want** your child to receive at school:

_____ Tylenol

_____ Motrin

_____ Tums

_____ Benadryl

Student Name: _____

Grade: _____

Parent/Guardian Signature: _____

Date: _____

Please Return to School by 09/08/2023
