

SCHS AM/PM Car Rider Pick UP 2023-2024

Parents/Guardians:

The car rider line is similar to last year but we have to change the door location for drop off and pick up to **DOOR T**, this is the backside of SCHS, near the cafeteria/modular classrooms. We sincerely appreciate everyone's patience making these modifications due to the construction that is currently taking place. It will be important to follow the directives of the staffing outside to help this process be efficient and safe. **We ask that you talk with your student(s) and let them know how important it will be to be outside and ready to load.** In the afternoons if you are in the loading zone and your student has not loaded and the line starts moving you will need to circle back following the purple dotted line as seen below to wait in the line that leads back into the loading zone for another try, this allows the line to continue to move.

AM Drop-off:

1. Follow pattern below, starting with 1, 2, 3, & finally #4 to start dropping off at **Door T**, once dropped off please follow road back out to Clark St. or Renz Ave.

PM Pick-up:

1. Cars will enter (1) and curve around the parking lot as shown by the blue line (2) bear left to continue in line (3) bear left again, stay straight to (4) start of car rider pick up to Door T (GREEN AREA)
2. Starting at the red line (5), cars will line up right behind each other. Student loading will only be in green areas
