

Endeavor Charter School 5th Grade Supply List 2023-2024

Grade Level Supplies

Personal Supplies

- 1 - two or three inch zipper binder*
- 3 - poly folders with holes to put in the binder**
 - -Red for social studies
 - - Blue for reading
 - - Green for Tuesday Folders and Homework
- 1 - composition notebook for science
- 1 - notebook with 3 holes that can clip into binder for social studies
- 1 - pack of plastic/poly write on tabs***
- 1-pair of headphones (not earbuds and not bluetooth; these will be kept at school for the year)
- 1 - TI-15 calculator (this is the same as 4th)
- 1 - pencil pouch or pencil box with:
 - - personal scissors labeled with name
 - - plenty of sharpened pencils

Optional: treasure box items

* We highly recommend a zipper binder over a non-zippered binder (reusing the zipper binder from 4th grade is fine). This will ensure your child's papers don't slip out.

Shared Supplies for Classroom

- 2 - packets of reinforced notebook paper for homeroom
- 6 - glue sticks
- 5 - regular size expo markers
- 1 - box of pencils (pre sharpened or mechanical)
- 1 (or more) boxes of tissues

Students with last names A-L- Crayola 10 pack of markers (regular), one pack of colored pencils, one pack of regular (fine tip) black sharpies, one pack of baby wipes

Students with last names M-Z- Crayola 10 pack of markers (thin), Crayola 24 pack of crayons, one pack of skinny (extra fine tip) black sharpies, 5 microfiber cloths

** We recommend poly folders because these hold up well and do not tear out of the rings. In addition, the pockets don't tear, which allows the papers to stay put and not get lost.

*** The plastic/poly write on tabs are much easier for children to use. They don't rip, stay put, and they are easier to write on.

Supply Fee

Agenda

The total for this item is \$4.70
