Parents, Grandparents, Family and Friends,

Due to the UIL HB 2721 amendment to Section 1207, any individual (spectator) who assaults a sports official will no longer be able to attend any UIL sanctioned event at Peaster ISD.

Additionally, if you are removed from a UIL Athletic Event by an official or Peaster ISD Administrator due to an assault (verbal or physical), you will have to meet with the Superintendent and/or the Athletic Director before being allowed to return to ANY UIL event.

Thank you for your cooperation,

Peaster ISD Administration
