

The Compact & Plan

The Home-School Compact and Family Engagement Plan illustrates the shared responsibility for student achievement between the school, student, and home. It is distributed and discussed during Open House, at Parent-Teacher Conferences, and at the Annual Title I Meeting. Copies are also available on our school website and in our Family Resource Center.

Home-School Partnership

We believe that families play an important role in their child's education; therefore, we provide opportunities for families to be involved. At Jenifer Elementary, we will:

- Involve parents in decisions regarding the spending of Title I funds and the 1% family engagement budget.
- Offer a flexible number of meetings at times that are convenient to parents.
- Provide information about school programs in a timely manner and in a language parents can understand.
- Provide interpreting and translation services, transportation, and childcare.
- Help parents understand State academic standards and local academic assessments.
- Show parents how to monitor their child's progress and work with educators to improve their child's achievement.
- Educate school staff on how to work with parents as equal partners in their child's educational process.
- Maintain a virtual and in-person Family Resource Center.
- Coordinate and integrate family engagement programs and activities with Federal, State, and local programs.
- Provide full opportunities for the participation of parents with limited English proficiency, with disabilities, and of migratory children.
- Encourage parents to join our school's Title I DADvisory Council, PTO, and School Improvement Team.
- Hold an annual meeting to discuss our school's role and requirements in implementing the Title I program and your right to be involved in your child's education.

Family Engagement Workshops

Our school will host workshops to provide families with information to support learning at home. Based on the needs of our families, we will host the following workshops:

- Back to School/Open House
- Parent-Teacher Conferences

Ways to Volunteer

We welcome and encourage volunteers in our school! Volunteers may serve as mentors, tutors, non-paid coaches or club sponsors, chaperones, reading/math partners, parent group organization officers, and more. All volunteers must complete a training and background check. More information may be found on the CCBOE website. If you would like to be a volunteer, please contact our parent liaison.

Community Partners

Our school collaborates with local business and nonprofit organizations to provide additional resources to further support our school, students, and families. If you or someone you know is interested in being a Jenifer Elementary community partner, please contact the school.

Parent Feedback & School Improvement

Please give your feedback by completing surveys and participating in Title I workshops and meetings, the DADvisory Council, PTO, and School improvement Team. If you would like a copy of our School Improvement Plan, please contact the school.

Scan the QR code to complete a short feedback form on the Compact/Plan. If you are unable to complete this form online, paper copies are located in our Family Resource Center.
