

Foothill Knolls STEM Academy

4th Grade 2023-2024 School Year

Recommended Supply List

Listed below are supplies that we recommend your student have at all times to be prepared for school. All items need to fit in their binder and pouch, as we rotate classrooms. Being responsible and organized are two skills that we focus on in the upper grades. Please also consider donating Community Supplies at any time for student distribution.

Individual Supplies	Community Supplies
3 inch sturdy 3-ring binder	white copy paper
5 subject tab dividers	highlighters (yellow preferred)
3-ring pencil pouch (no boxes please)	Elmer's glue sticks
scissors	Clorox/Lysol cleaning wipes
pencils*	Kleenex tissue boxes
dry erase markers & eraser*	Dixon Ticonderoga #2 pencils (PRESHARPENED please!)
markers, crayons, or colored pencils*	Expo dry erase markers (black preferred)

*Students will need a continuous supply of these items as they are used. They can replenish from home or from our Community Supplies. We will do binder checks frequently. **Please note that mechanical pencils, permanent markers, and white out are not permitted.**

This list is a suggestion of the materials your student and our class will use on a daily basis. Purchases are optional and materials may be provided to students by their homeroom teacher if necessary.

Please consider donating items from our Amazon Wish List throughout the year!

😊 Mrs. Whitsell and Mr. Simmons

Reminder:
Back to School
Night is Sept 7th.
