## AMSE Program (Applied Math, Science, & Engineering)

Valley Christian Schools' STEM program, the Applied Math, Science, and Engineering (AMSE) Institute, provides K-12 students with a pipeline of inspiration, instruction, and experiences to fuel their passion for knowledge. With outstanding faculty, world-class facilities, and one-of-a-kind opportunities, AMSE strives to live out its mission to prepare the next generation of Christian STEM innovators.

## BEI Program (Business, Entrepreneurship, & Innovation)

The K-12 VCS Business Entrepreneurship & Innovation (BEI) program introduces students to the world of business and inspires them to develop their entrepreneurial mindset at an early age. Through a comprehensive curriculum, core electives and programs, speaker events, mentorship, and career exposure with real-world connections, students develop essential skills, and foundational knowledge, preparing the next generation of faith-driven, principled leaders to impact the world.

## Conservatory of the Arts Program

Immerse yourself in a vibrant community where talent thrives. Unleash your creativity through exceptional training, inspiring performances, and collaborations with renowned artists. Unveil your true potential in a nurturing environment that celebrates artistic excellence. Discover and develop your God-given talents and experience the transformative power of the arts at Valley Christian Conservatory of the Arts.
