Purpose

The Board acknowledges the necessity for a system of computing grade point averages and deciles for secondary school students to inform students, parents/guardians and others of their relative academic placement among their peers.

Authority

A student's grade point average and decile shall be entered on the student's record and transcripts and shall be subject to Board policy on release of student records.[1]

Delegation of Responsibility

The Superintendent or designee shall develop administrative regulations for computing grade point averages and deciles. This shall include a statement of the methods for computation and rank assignment for those to whom a student's grade point average and decile are released.
