— Dollar tree —

Do you like cheap toys
and candy? If you do I
have the place for you. I
think the Dollertree is the best
place in Danville. The first reason
is because there are alot of
toys there. There are little
dolls, big balls, small cars and

alot of other stuff. The
second ^{reason} reason is because there
are some toys that are even
five or less ^{dollars} dollars! The dolls
are mosly five ^{dollars} dollars! Sometimes
balls. The third reason is because
there is alot of different kinds
of candy and the ^{sour} souer patch

kids are my favorite and my
little bruther likes the souer
wartermellons. That is why I
think the Dollertree is the
best place in Danville.

Do you like cats and dogs?
I have the place for you.
In my opinion I think
Pennsylvania spca adoption
place for pets is the
best place in Danville. The
first reason is because you
can give away toys to the animals.

I ^{would} give them toys to
play with ~~and~~ so they don't
get ^{lonely} lone. ^{Also} they don't get
^{scared} scared at ^{night} nite. The second reason
is because they have
cats and dogs to adopt.
If you'r ^{lonely} lonely at home
You can adopt a pet.

they have adoption events
and you can adopt a
dogs from the spca. They
rescue ^{rescue} animals from
bad homes. That is why
in my opinion I think the
Pennsylvania spca is the
best place in Danville. -Madden

Did you know that theres a place
in Danville that puts candy in
their ice cream? My favorite place
in Danville is Friendlys. The
first reason is because they
have ice cream dirt that has
gummy worms in it. It tastes
yummy and squooshy. The second

reason is because they have
grilled cheese and its so cheesy
and soft. The bread is so soft
and crunchy. The third reason
is because they have claw
mushrooms that you can get
shirts from and grown ups can wear
them. The fourth reason is

because the cold ice cream is ^{mouth} so
watering. That is why I think
Friendlys is my favorite place in
Danville. -Thomas

Have you ever been sick bofor
and want to get betr? Then
I have the place for you.
In my opinion Geisinger is the
best place in Danville. The
first reason is becasse my
mom and dad work there.
My mom is a kidney doctor

and my dad is a cardiologist. The
second reason is because
Geisinger helps people with
health issues. There are
many different departments
to help people. The third
reason is because the doctors
and the staff and the nurses

are ^{very} nice, smart, and
^{respectful} respectful. The fourth reason
is because ^{people} people ^{come} come from
all around the ^{world} world ^{to} to
Geisinger. If you live in
Danville it is very close. That
is why I think Geisinger

**Busy Little Beavers
Pages 49-52**

Do you like toys and games?

I have the place for you.

In my Opinion Busy little
Beavers is the best place in Danville. The

first reason is because they are
building a new playground. I am
excited for the slide. The second

reason is because they have activities.

I made an elf craft there
during Christmas. The third reason
is because they have a fun
play rooms. They have blocks
to build houses with. The fourth
reason is because you can
make a lot of new
friends. They like games. That

is why Busy Little Beavers is
the best place in
Danville. - Elijah
