DANVILLE AREA SCHOOL DISTRICT

April 10, 2019 Minutes
Regular Board Meeting

The Danville Area School Board met at the Danville Primary School on Wednesday, April 10, 2019.

The meeting was called to order at 7:19 p.m. by Kevin Brouse, President, followed by the Pledge of Allegiance and a moment of silence.

ROLL CALL - Board Members

Mr. Kevin Brouse, Mrs. Dawn Gill, Mrs. Heather Hackenberg, Mr. Randy Keister, Mr. Derl Reichard, Mrs. Erin Ross and Mr. Joshua Seidel were present. Mr. Wayne Brookhart and Dr. Joel Klena were absent.

OTHERS PRESENT

Dr. Ricki Boyle, Acting Superintendent; Mrs. Bobbi Ely, Business Manager; Mrs. Dawn Brookhart, Director of Curriculum, Instruction, and Technology; Mrs. Jillann Shupp; Director of Special Education; Mr. Jeffrey Ryan, Director of Network Administration; Mr. Christopher Johns, Director of Student Affairs; Mr. Ken Berkich, Director of Building and Grounds; Mr. Jeremy Winn, High School Principal; Mrs. Amy Willoughby, Assistant High School Principal; Mrs. Jeni Evans, Middle School Principal; Mr. David Snover, Assistant Middle School Principal; Mr. Lee Gump, Intermediate Principal; Dr. John Bickhart, Primary Principal; Mrs. Terri Faust, Board Secretary; and approximately 40 members of the staff, public, and news media.

Motion: (To approve the minutes from the March 13, 2019 meeting and March 25, 2019 special meeting)

A motion was made by Mr. Randy Keister to approve the minutes. The motion was seconded by Mrs. Heather Hackenberg.

The motion was approved on a voice vote: 7 -Yes – Mrs. Dawn Gill, Mrs. Heather Hackenberg, Mr. Randy Keister, Mr. Derl Reichard, Mrs. Erin Ross, Mr. Joshua Siedel, and Mr. Kevin Brouse; 0 – No; 2 – Absent – Mr. Wayne Brookhart, and Dr. Joel Klena

I. BOARD ADMINISTRATIVE ANNOUNCEMENT

A. Reports:

CSIU – Heather Hackenberg

Columbia Montour Vo-Tech – Randy Keister and Kevin Brouse

Mrs. Hackenberg was unable to attend the meeting.

Mr. Keister was unable to attend the Vo-Tech meeting. Mr. Brouse did attend the Vo-Tech meeting. The building project is still in limbo due to some contention between the districts. Some districts would like to look at different models for the project other than keeping it as a comprehensive school.

II. SUPERINTENDENT'S REPORT

- Enrollment Report (Enclosure 1)

Dr. Boyle stated there was an executive session held at 5:30 where there was an optional tour of the maintenance facility. The session continued at 6:00 – 7:15 where there was discussion on personnel, pending litigation, leased property, and updates on the stadium, tennis courts and press box projects.

III. PUBLIC COMMENT

Leslie Yeich commented on the High School schedule being a step in the right direction for the music program. Scheduling will give students extra opportunities to receive scholarships for their musical abilities.

John Esner, a CMVT graduate, gave an extensive presentation on the benefits he received from attending the vocational program. He received 2 college degrees, paid for by his employers because of the training he first received at Vo-Tech. He also commented on the family type atmosphere at the school as a whole. He would like to see the program remain as it is now.
Mr. Brouse and Mr. Keister addressed his concern commenting that they also support the program and there will be more discussion on the subject at the Vo-Tech meeting.

Consent Agenda Items

Motion: (To approve Consent Agenda Items)
A motion was made by Mrs. Erin Ross to approve Consent Agenda Items. The motion was seconded by Mr. Randy Keister.
The motion was approved on a voice vote: 7 -Yes – Mrs. Dawn Gill, Mrs. Heather Hackenberg, Mr. Randy Keister, Mr. Derl Reichard, Mrs. Erin Ross, Mr. Joshua Siedel, and Mr. Kevin Brouse; 0 – No; 2 – Absent – Mr. Wayne Brookhart, and Dr. Joel Klena

IV. PRESENTATIONS/OUTSIDE GUESTS (Max. of 5 minutes each)

A. Recognition of Mrs. Beyer's K'Nex Team for winning first place at the CSIU competition.

Mr. Gump introduced "The Green Team" who won the regional championship at the CSIU and is moving on to the state championship in Harrisburg. The team designed the "Clean up Car". The car's job is to clean up hazardous material off of roadways. Their original design was not flawless but their teamwork, leadership, and creativity took them to the next step. They then demonstrated their winning design for the Board.

B. Presentation of the 2019-2020 Middle School Schedule (Enclosure 2)

Mrs. Jeni Evans and Mr. Dave Snover presented the Middle School Schedule for the 2019-2020 school year. Some concerns addressed were WIN time, RTII time and more opportunity for specials. The new schedule would not disrupt the routine of the student day but would realign the day to make better use of student and teacher time. An extra period of time at the end of the day will allow for more meeting and enrichment time to better meet student needs on a daily basis. The schedule will give us the opportunity to keep smaller classes with more flexibility. The schedule was developed with teacher input for activities and structured activities with folders kept to maintain accountability. This 9th period class will also be an opportunity to improve on the school-wide positive behavior program and give students more opportunity for the school clubs to meet and give students exposure to these clubs.
Mrs. Ross would like 5th grade parents to be provided with more Middle School information as the students move on to 6th grade.
Mrs. Hackenberg agreed with Mrs. Ross.

C. Presentation of the 2019-2020 High School Schedule (Enclosure 3)

- Middle States – costs and visit

Mr. Jeremy Winn and Mrs. Amy Willoughby presented the High School Schedule for the 2019-2020 school year. Meetings were held with teachers, department leads, and guidance to develop a schedule which would best meet student needs. Some goals were to give students time in their schedules for independent courses. Reducing students in study halls will allow study hall to go back to classrooms. The proposed schedule will reduce the lunch schedule to 2 lunch periods. This would add time to their lunch and still leave them 9 periods in a day. Benefits of a flex period at the end of the day will include time to meet with teachers, time to make up work, performing arts opportunities, after school activities just to name a few. PBIS would include seniors having the opportunity to leave the last period with parental permission. There will also be academic, and other requirements.

Mr. Seidel had a question about the schedule working for Middle School students coming into the school. Mr Winn and Dr. Boyle quoted the enrollment report to show it would work.
Mr. Winn spoke about the Middle States accreditation. It is up and we need to prepare a report for a self-study process. We have conducted research and will have the self-study process completed by the end of the school year and prepare for their visit in the fall. There is a cost for 5 team members to visit and a yearly cost for the process. The cost about $1,000.00 per member for the visit for a total of $5,000.00 plus the yearly cost. This happens about every. 6 or 7 years.
Mr. Keister asked what the benefits are. Mr. Winn stated it allows us to say we are accredited and they help with the self-study process. It is a distinction.

Mrs. Erin Ross left the meeting at 8:11PM.

D. Hillyard – Custodial Efficiency Program Presentation

Mr. Ken Berkich introduced Brian Deiling and Lou Maylock who gave a presentation on the CAPP program to help bring a more consistent program for the custodial procedures district wide. In the presentation it was noted that the district does a good job and this program could only make it better. This is a data driven program based on the individual needs of the buildings. They also look into the workload of each staff member. Standardizing buildings will distribute workloads and make better use of equipment we already have. Hands-on training and job cards help to make employees more efficient. All services are tied to the cost of the products. Mrs. Ely stated that the cost of the products compares to those we currently use. Hillyard, Inc. is a COSTARS vendor and does not have to go out to bid. The main goal of the company is to keep our buildings healthy.

E. Geisinger

Dr. Boyle explained Danville Primary School and Head Start have a proposal to partner with Geisinger Psychiatry to work with students and families in the district to help with the mental health of our children.
Dr. Kettlewell and Dr. Meadows explained the SAMHSA grant which is a federal grant which would allow a collaboration between Danville Primary School, Head Start and Geisinger. The grant would help with home visiting, training, and consultations with staff and family to improve the mental health of students and families in need. It would introduce a curriculum, the 2nd step program, which even has a bullying prevention module. There would be a Youth Wellness Council which would be a great opportunity for collaboration between Geisinger and Danville Area School District as well as other community partners to serve as a resource for our families. Dr. Kettlewell explained this is a grant we may or may not receive. If the grant does not come through, we will explore other opportunities to help out students and families directly.

XII. TRANSPORTATION

XIII. BOARD CONCERNS & ITEMS FOR NEXT MEETING AGENDA

Mr. Keister spoke of the Vo-Tech project. He is in support of the alternate plan which would be about 28 or 29 Million dollars. This plan would not put the building into clusters but there would still be the upgrades, expansion, and adding of programs which is needed. Mr. Keister said he believes a decision needs to be made so grants are not in jeopardy. Our percentage of the project is 24.12. This would be reduced with the grants which would be received. A motion would show our support for the project. Mrs. Gill suggested consulting Mrs. Ely on the cost. Mrs. Ely explained the Hybrid Option is a $29 million option and our percentage would be $7 million dollars. There are 3 financing options available at this time averaging

$500,000 per year. Raising taxes to the maximum would not cover the Hybrid Option. Mr. Keister stated that once grants come in, that would lower our percentage. Mrs. Gill asked Mrs. Ely if we could do this without raising taxes. Mrs. Ely explained our operating expenses are now at the maximum. Anything above there would need to be a tax increase. Mrs. Gill believes the only option for the students is to support the improvements. Mr. Brouse also agreed that we need to support Vo-Tech. Mr. Keister explained some of the grants and Mrs. Brookhart brought up a lease option. Mrs. Ely explained that would cost the same amount of money but would not count against our borrowing capacity. Our current borrowing capacity was $86,182,104 when last calculated on
January 10, 2019. We need to keep the borrowing capacity in mind for future projects.

Motion: (Hybrid Model for Vo-Tech)
A motion was made by Mr. Randy Keister to support the Hybrid Model for Vo-Tech. The motion was seconded by Mr. Josh Seidel.
The motion was approved on a roll call vote: 6 -Yes – Mrs. Dawn Gill, Mrs. Heather Hackenberg, Mr. Randy Keister, Mr. Derl Reichard, Mr. Joshua Siedel, and
Mr. Kevin Brouse; 0 – No; 3 – Absent – Mr. Wayne Brookhart, Dr. Joel Klena, and Mrs. Erin Ross.

XIV. PUBLIC COMMENT

Dustin Frye, a Vo-Tech graduate, spoke in favor of Vo-Tech and all of the opportunities he was able to take advantage of because of the trade he acquired at Vo-Tech. He also earned a college degree because of the opportunities he had.

ADJOURNMENT

At 9:14 p.m. a motion was made by Mrs. Dawn Gill and seconded by
Mr. Randy Keister to adjourn the meeting.
The motion was approved by voice vote.
