

Welcome to Grade 10!

SUMMER WORK for Students Entering Grade 10

Chemistry & Cosmic Evolution

Sophomore Science Summer Work

Choose an endangered element from the periodic table and make a presentation (to examine humanity's exploitation of elements as finite resources) and a model of an atom of that element (to become familiar with the parts of an atom entering grade 10). Presentations will be shared during the first two weeks of class

Honors World Lit 2

[Honors World Lit II Summer Work](#)

Students will read to find a book they think we should add to the tenth grade reading library. They will sign up: check out a book from my library or their own as a starting (or ending point) and create a poster to compete as a living commercial when school begins in September. Four copies will be purchased and added to the library based on class voting and the winners from each class.

Honors Chinese 2 and Chinese 2

Listen to C-pop and/or watch C-drama on nexflix and bring samples of your playlist and share it on the first day of class.

AP US History (APUSH)*

Read 1491, Ch. 2: Why Billington Survived. Annotate as you read. Then, complete the questions on the 1491 google doc. Expect a reading quiz on the first day of school. **FIND THE READING AND ASSIGNMENT ON GOOGLE CLASSROOM: code - ksxai57**

<https://classroom.google.com/c/NjE0NDM3MjE5Njc4?cjc=ksxai57>

**Please note that beginning 2023-24, CGS will run its own section of APUSH, so this assignment may not be the same as the BMHS APUSH summer assignment. Do this one!*

Hon Integrated Math C, year 2

Have a new notebook or continue last year's notebook. Don't lose last year's notebook - it should be available for reference. No summer work.

SCHOOL SUPPLIES

For 2023-24, we ask all CGS students to come ready with the following supplies.

- If you are able to donate additional supplies for other students, thank you! Please buy extras and drop them off with Ms. Tonia at CGS.
- If any of these present a financial hardship to your family, please email Ms. Parham at parhamj@norwalkps.org or Ms. Tonia at greenet@norwalkps.org and let us know; we will be able to help.

SCHOOL SUPPLIES for 10th grade

- No 2. pencils / blue or black pens (enough to get you through the year)
- Pack of colored pencils
- Highlighters (at least two different colors)
- Composition notebook (science)
- 1-inch binder (science)
- Loose leaf paper for 3-ring binders (science)
- 5-tab binder dividers for 3-ring binders (science)
- Folders / binders to stay organized (your choice--4 core classes)
- Notebooks / paper in a binder (either is fine)
- Waterproof boots (for science field trips)
- TI-84 calculator
