

Good Afternoon TPS Parents!

Great news! **Parent Schoology Access Codes** are now available in ParentConnect (Mistar). They can be located in the **Student Profile** under "**Login Credentials**". See the screenshot below. I also included directions for logging into Schoology for the first time as a parent as well as directions for logging in each time thereafter. I hope you find this helpful!

The screenshot shows the ParentConnect interface. At the top, it says "ParentConnection" and "Welcome [redacted]". Below this is a table with columns: Student Name, ID, Grade, School Name, and School Year. The table contains one row with a redacted student name, a redacted ID, grade 04, school name HEDKE ELEMENTARY (T), and school year 2022-2023. To the left of the table is a navigation menu with items: Documents, Enrollment, Network Information, Login Credentials (highlighted in orange), Special Education Documents, and Print Info. To the right of the table, there are sections for "HEDKE ELEMENTARY" (Welcome to ParentConnection), "School Links" (State Assessment Data, Trenton Public Schools), and "Login Credentials" (Schoolology Parent Access Code [redacted]).

If you are logging in to your **parent** Schoology account for the very first time:

1. Go to <https://app.schoology.com/register.php>
2. Click on "Parent"

The screenshot shows the "Sign up for Schoology" page. It features three buttons: "Instructor" (blue), "Student" (blue), and "Parent" (grey). The "Parent" button is highlighted with a blue border.

3. Enter your Parent Schoology Access Code for ONE of your children that you retrieved from ParentConnect or your child's teacher.

4. Enter your **First Name**, **Last Name**, and the **email address** that we have on file for you in ParentConnect as your username. Next, create a secure **password** and confirm your password by entering it again. Uncheck the box next to "Subscribe me to the Schoology Exchange Blog", and check the box next to "By clicking Register, you are...". Lastly, click **Register**.

5. Now that you are logged in to Schoology, click on your name at the top right-hand side of your screen. This is where you can toggle between your Schoology account and your child's account. To add another child, click Add Child and enter the 12-digit Parent Access Code for that child listed in ParentConnect. Once you have added each of your children, you will never have to do that again and you can easily toggle between each of your children's Schoology accounts to view their courses.

The screenshot shows a user profile dropdown menu in Schoology. At the top is a dark blue header with a circular profile picture icon on the left, the text "Parent Name" in yellow, and a white downward-pointing chevron on the right. Below this header are three items, each with a circular profile picture icon on the left:

- The first item is "Parent Name" in purple text, followed by a green checkmark.
- The second item is "Child Name" in purple text, with "Name of Child's School" in a smaller purple font below it.
- The third item is "Add Child" in blue text, preceded by a blue plus sign icon.

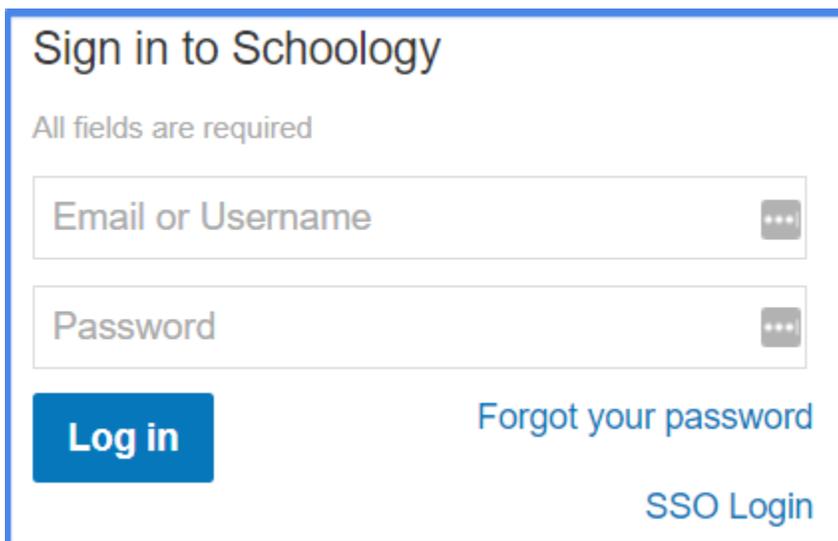

Below the "Add Child" option are three menu items in blue text:

- "Your Profile"
- "Name of Child's School"
- "Settings"

At the bottom is the "Logout" option in blue text, preceded by a blue icon of a door with an arrow pointing out.
