ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

Page Last Modified: 07/22/2021

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

- ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.
- ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

Page Last Modified: 07/22/2021

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

- not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Submission Instructions

Page Last Modified: 07/22/2021

Submission Instructions

OCEANSIDE UFSD

280211030000

Directions for Submitting the Application:

- The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

- LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

- LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

- The ARP-ESSER Application – Part 2 is due by August 31, 2021.

ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination

OCEANSIDE UFSD

280211030000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.

The District held a public meeting on June 9th to discuss the ARPA (ESSER) allocation and brainstorm meaningful ways to address learning loss and meet student needs. Present at the meeting were: Central Administration, District & Building Administrators, Union leaders, teachers, Board of Education members, students, and support staff. The meeting was very productive, and the final plan was shared publicly to the community at the June 16th Board of Education meeting. The plan is currently housed on the District website for public review. The LEA's description of stakeholder engagement and plan must include how the LEA will continue to engage stakeholders throughout implementation of the plan. The LEA will continue to engage stakeholders throughout the implementation of the plan for meaningful consultation. We will do so via PTA Council and Staff Development Policy Board meetings, as well as Shared Decision Making Team District level meetings. These meetings occur on a regular basis throughout the school year and will be an opportunity for consultation and collaboration. Stakeholders present will include Central, district, and building administration, Board of Education, parents, faculty members, support staff, students, and community representation.

A hyperlink of the plan is embedded in the Google Doc (which is on our website), including the FS-10 and budget narrative as submitted to NYSED.

ARP-ESSER LEA Base 90% Allocation - Program Information

3. **In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

The funds are used to address student learning loss and ease of returning students to in-person instruction. The concept is to have Math Teaching Assistants in place to increase our scores and levels, while offering After-School Academies in each school for academic services after school in each building. The intent is to proactively support students' social-emotional well being while also addressing necessary academic intervention services in the content area of Mathematics for elementary and secondary students.

We are not allocating ARPA funds for prevention and mitigation strategies. To achieve this important goal the LEA will be utilizing local funding.

4. **In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

Math Teaching Assistants will be onboarded to provide academic support for students. The curriculum will be aligned to what the District uses, and the focus is on areas of evidence where students have struggled. The goal is to recover the learning loss and put them back on pace where they should be.

The learning environment was impacted over the course of the COVID-19 Pandemic. Specifically, hybrid and remote instruction was implemented for many students and they did not have the same level of effectiveness as traditional in-person instruction. Additionally, significant school loss occurred due to mandated quarantine. This has resulted in the need to address learning loss among our students. In order to identify student needs and monitor student progress we utilize a variety of scientifically based programs and approaches. Students are assessed at the beginning, throughout, and at the end of the year using the i-Ready program to determine areas to address and proficiency. The program supports qualitative diagnostics for growth monitoring and standards mastery. Data reports are analyzed and turned into actionable instruction throughout our faculty data meetings. In addition, we administer the Fountas and Pinnell and Foundations diagnostic and progress benchmarks. The data has indicated the losses in the area of reading, writing, and mathematics, we will address these areas of instruction.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 12/14/2021

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

The After-School Academies will be an extended day program that spans over two (2) years to support students' academics and continue addressing learning loss needs.

The LEA will use the ARPA funds to address the academic impact of lost instructional time through the implementation of evidence-based interventions, specifically, comprehensive after school programs and the use of additional Math Academic Intervention Specialists.

Each of our school buildings will develop and offer after school support that addresses gaps in content areas. The After-school Academies will provide an experience beyond the school day that nurtures the whole learner through homework help, and predominantly reading and math support. The after-school programs will be kept at a lower student teacher ratio. The syllabus followed for these after school programs will align to the areas of academic need pinpointed from the assessment measures. The LEA will place a particular focus for placement in the afterschool programs on our English Language Learners and economically disadvantaged students who have shown a significant academic impact. Scientifically based programs and materials, such as our iReady and Foundations intervention materials will be used.

Trade books in English & Spanish and those that are culturally relevant to our student population, as well as necessary Math manipulatives will be purchased to support the instruction provided in the after school programs.

We have evidence of a greater number of students identified as performing below level and needing academic intervention services in mathematics. As such, we will fund additional Mathematics AIS Teachers in the elementary schools. This will allow for smaller student teacher ratios for targeted math intervention. In addition, we will fund a Mathematics Intervention teacher for our English Language Learners at the Middle level. This plan will enable us to address learning loss among students including low income, homeless, minorities, English learners, and those with disabilities.

6. **In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

Trade books in English & Spanish as well as necessary Math manipulatives will be purchased with the remaining funds. The LEA will allocate all ARP ESSER funds to Address Learning Loss.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 12/14/2021

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

Math AIS program and After-School Academies address the learning loss as well as support social-emotional well-being of full return to in-person learning.

The use of funds respond to the needs of our students disproportionately impacted by the COVID-19 pandemic, specifically, we have allocated funds for after school programs which will encompass English Language Learners, economically disadvantaged and special needs students whose data has indicated severe impact by the loss of in - person instruction. In addition, we will fund a Mathematics Intervention teacher for our English Language Learners at the Middle level, again of which data indicates a learning loss. We will purchase trade books and materials in Spanish, a predominant language of students in our district and books that are culturally relevant to our student population. Studies show that culturally relevant materials support greater success in students of color, those with disabilities and economically disadvantaged.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

Page Last Modified: 12/14/2021

ARP-ESSER Return to In-Person Instruction

OCEANSIDE UFSD

280211030000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

Page Last Modified: 12/14/2021

1. **In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

www.oceansideschools.org (COVID & School Reopening Updates)

<https://docs.google.com/presentation/d/19gB6jt85uY7rUFAR5SOy4uJ3jEYylxmSCT9f0K3SaWw/edit>

The plan will be made available on our District website and hard copy by contacting the Business Office at (516) 678 - 1209. Instructions for those seeking hard copies of the plan are on the website.

2. **An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.**

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.

Board of Education meetings will be the platform to keep our public informed regularly. Our meetings are live streamed and recorded, and posted to the District website for anyone in our community to watch.

The LEA will continue to engage stakeholders throughout the implementation of the plan for meaningful consultation. We will do so via Board of Education meetings, PTA Council and Staff Development Policy Board meetings, as well as Shared Decision Making Team District level meetings. These meetings occur on a regular basis throughout the school year and will be an opportunity for consultation and collaboration. Stakeholders present will include Central, district, and building administration, Board of Education, parents, faculty members, support staff, students, and community representation.

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "*TBD*" or "*Varies*" cannot be accepted on the FS-10 or Budget Narrative forms.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

- Please upload a completed and signed copy of the *FS-10 Budget* for the ARP-ESSER LEA Base 90% Funds.**

FS-10 Budget ARPA ESSER.pdf

- Please upload a completed copy of the *Budget Narrative* for the ARP-ESSER LEA Base 90% Funds.**

07-22-2021 - ARPA ESSER Budget Narrative.pdf

- Please complete the following table by providing total proposed expenditures by budget code for funding in relation to the ARP-ESSER Application – Part 2. This information should match the Budget Summary page of the FS-10 budget form.

	Total Funds (\$)
15 - Professional Salaries	1,469,604
16 - Support Staff Salaries	0
40 - Purchased Services	0
45 - Supplies and Materials	142,755
46 - Travel Expenses	0
80 - Employee Benefits	0
90 - Indirect Cost	0
49 - BOCES Services	0
30 - Minor Remodeling	0
20 - Equipment	0
Totals:	1,612,359
