Force Majeure Events Policy

If the Academy is closed due to a *force majeure* event, its duties and obligations to its students and their families shall be suspended until such time as the school, in its sole discretion, may safely reopen. *Force majeure* events include any fire, flood, collapse, hurricane, act of God, power outage, technological system failure, act of terrorism, insurrection, riot, war, national or local emergency, strike, natural disaster, governmental action, epidemic, pandemic,

The Academy will promptly notify its students and their families if a *force majeure* event occurs, including its expected duration and the anticipated effect the event will have on the Academy's normal operations. Families can rely on the Academy to keep them apprised of its progress in handling a *force majeure* event, and on the Academy's diligent efforts to minimize any disruption to their child/ren's educational experience.

Our goal is to be fair and flexible to our students and families during unusual circumstances. We balance that with our need to ensure the school's financial sustainability and the knowledge that our costs for the entire school year are fixed and do not diminish if the Academy is closed due to a *force majeure* event. Families should therefore understand that paid tuition and other fees are non-refundable and that the Academy is under no obligation to prorate or adjust tuition or other fees due to the Academy in response to a *force majeure* event.
