## ANNUAL INCOME SURVEY (SY 2023-2024)

Connecticut subsidizes a portion of preschool tuition for students attending Riverside Magnet School (RMS). For RMS to receive funding from the Connecticut State Department of Education, each preschool family must verify their income on an annual basis. Each family must indicate if their income falls at, below, or above 75% of the state median income (SMI). Preschool tuition will be determined annually.

**PLEASE CIRCLE** your family size in the chart provided below.

**PLEASE CHECK** the box that applies to your 2022 gross annual household income (line 11 on your tax return)

- Our gross annual household income falls **at or below** 75% of the State Median income. We are requesting a tuition waiver for SY 2023-2024.
- Our gross annual household income is **above** 75% of the State Median Income. We understand that we will be responsible for tuition for our Preschool student(s) for SY 2023-2024.

Per CT General Statutes, families of **enrolled** preschool students whose gross annual household income is **above** 75% of the SMI will be required to pay an annual tuition fee.

Tuition for **2023-24** is \$4,000 per preschool student.

**Any** family whose gross annual household income is **at or below** 75% of the SMI will **not** be required to pay tuition for 2023-2024 if the following conditions are met:

- 1) A completed, signed and dated, Annual Income Survey (SY 2023-2024) is submitted;
- 2) A copy of your 2022 income tax return is provided for income verification purposes; and
- 3) An authorized school administrator verifies your 2022 income tax return.

RMS **cannot consider** a tuition waiver for any family that is unable to provide documents supporting income verification or modifications. Pending approval, the family *will* be held responsible for the 2023-2024 tuition set forth above and agrees to follow the applicable tuition guidelines.
