2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

School Profile:

Park Elementary School is the oldest year-round school in the nation. We are located at 411 Larchmont Street in Hayward, CA. The school opened in 1960 as a traditional school. In 1968, we became a year-round school attracting many students and families from different parts of the Hayward Unified School District. We offer Bilingual Alternative and Shelter English Immersion Programs to students from preschool through 6th.

Vision Statement:

Park School's vision is to create an environment where all students can learn 21st Century Skills and apply them to real-life situations to reach their maximum potential.

Mission Statement:

Park Elementary School community is committed to developing 21st Century skills that promote the physical, intellectual, and emotional success of all learners.

Principal's Message:

Park Elementary School is supported by a cohesive team of educators, staff, and community members committed to educational excellence and to the promotion of social justice. Teachers follow the Professional Learning Community model to improve and refine teaching to support deeper student learning practices. We respond proactively to diverse student needs using a continuous improvement lens, through collaboration, meetings and professional development. Acceleration and intervention classes are available to qualifying students in language arts and mathematics. We are determined to promote a positive school climate. Our students learn to be responsible, respectful, safe, and kind in the classroom, in school, and in the community. We use positive behavior interventions to recognize and celebrate pro-social behaviors. Our students strive for academic excellence, make positive behavior choices, have great attendance, and believe in having a growth mindset that values effort and personal improvement. We offer specialized weekly P.E, library/computer lab, music, and art classes. Our students are exposed to 21st-century technology daily. We value extracurricular opportunities; we have a strong after school

2021-22 School Overview

visual and performing arts programs. Intermediate students can join the boys or girls soccer team, be involved in school leadership, participate in intramural sports and community service. We offer family and community involvement opportunities through various school committees and events. Park school is a great place to learn where everyone feels like family.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Park Elementary School greatly benefits from the participation of our parents and school community members. Parents and community members have multiple opportunities to participate in our school. We hold monthly "Coffee with the Principal" meetings, evening events and opportunities for parents to volunteer in school wide events and in the classroom. We also offer parents opportunities to participate in classes and informational workshops. Parents can be involved in school committees such as SSC, SBDM, ELAC or PTO. Our Family Engagement Specialist is available in the Parent Center to support parents with whatever needs they may have.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Park School's Safety Plan is updated annually. All updates and revisions are communicated to our staff. The school's disaster preparedness plan includes steps for insuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a monthly basis throughout the school year. Students are supervised throughout the day by teachers, administrators, and yard duty supervisors. There is a designated area for student drop off and pick up. All visitors must check in the front office. All parent volunteers are finger printed, have been TB tested and received their COVID vaccine to make sure they can safely be in our campus.

Safety is a high priority because it is necessary to ensure a successful and healthy educational environment.

Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year so that all staff and students are familiar with what steps to take in an event of an emergency. The school is using an online application called Share911 to communicate with staff during emergencies. This online safety app is also used to coordinate safety/disaster drills.

Our school has an active School Safety Committee that includes administrators, teachers, maintenance, school supervisors, and other staff members. The committee works together in forming and revising the school safety plan as well as responding to day-to-day safety issues. At the time of the latest review of the School Site Safety Plan, all revisions were communicated to both the classified and certificated staff. During the 2021-22 school year, this has included all of the necessary safety, health and sanitizing protocols to ensure that staff and visitors to campus remain as safe as possible during the COVID-19 school reopening.

In May 2021 HUSD opened for in person learning opportunities at all sites. HUSD developed district wide safety plans with schools also having plans specific to their site. The "Ready to Return" In-Person Learning Safety Plan was created in April 2021 that addressed questions/guidelines regarding face masks, daily health screenings using the Frontline Health Portal, social distancing, and cleaning procedures. Notifications of the plans were sent out to all staff and families. It was posted on the district/school websites for the entire HUSD community to access.

2020-21 Types of Services Funded

Park Elementary implements multiple programs designed to support the academic success of all students with particular focus on those performing below grade level. Some of the programs we implement at Park are: Leveled Literacy Intervention for students in 1st-3rd grade, ALIVE program for reading intervention and self determination for students in 4th-6th grade, after school acceleration in language arts and math and online programs to support academics (Accelerated Reader, Raz-Kids and IXL). We also have a full-time Library Media Tech to ensure that every student has weekly access to check out books. We have an English Learner Specialist who monitors programs targeted to our English learners. We also fund extra hourly pay for teachers who collaborate to engage in cycle of inquiry and action planning as a grade level.

Professional Development

Park School supports and promotes adult learning. Our areas of focus are Culturally Responsive Teaching and Deeper Learning Practices. Culturally Responsive Teaching was selected based on our site discipline data reports and the connection to HUSD's Strategic Plan. Our focus on the Deeper Learning Network was selected to support classroom instruction as mentioned in The Strategic Plan. As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. During the school year we had five full days of professional development and a well as site specific minimum day PDs. Teachers are supported through ongoing collaboration opportunities, instructional coaching, and after school facilitated learning sessions.

During the 2020-21 school year, teachers were provided additional professional development opportunities targeted towards teaching through distance learning during the pandemic. Teachers were trained on multiple programs and platforms to increase student engagement with distance learning and ensure that deeper learning strategies were being implemented. The district also provided anti-bias, anti-racist professional development to all staff during the school year. The focus was on understanding and identifying our individual biases to interrupt patterns of systemic racism that exist in education.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
