2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Expectations: Be Responsible, Be Respectful, Be Safe

Current Research & Practice: Cherryland is engaged in collaborative effort to create focus standards and school wide best instructional practices in order to create systemic sustainable academic growth and promote deeper learning. Cherryland is a relationship centered school and implementing Year 10 of Positive Behavior Intervention Systems (PBIS) in order to create a positive supportive school climate and culture and has a robust three tiered Response to Intervention (RTI) system. Cherryland has targeted strategic interventions in place for underachieving students in 3 target areas, ELL's, English Only students, and Resource students. We are showing steady improvement in 3rd grade literacy and academic achievement.

As a part of our commitment to service excellence, we work to support collaboration among all segments of the school community: Through SBDM, PBIS, SSC, ELAC, PTO and our Parent Center we engage all stake holders in the school community in decision making, Certificated & Classified Employees, parents, students, and community members. In addition to the aforementioned teams the Principal has additional "townhall" style forums with coffee with the principal for collaboration and communication with parents and the community. We have a Padres Unidos "Cafe" meeting monthly for parents to regularly come together to discuss issues regarding the school community. We have monthly parent academies to tie community engagement to academics, and we have established connections with multiple community service agencies such as the breath mobile that work to provide supports in addition to academics to students and families.

Cherryland School Mission: Cherryland provides a rigorous, multicultural education in a respectful, responsible, safe and inclusive environment. We endeavor to meet the academic, social, and emotional needs of all children. Students utilize Integrated Learning and the Six Elements of Social Justice to become critical thinkers, problem solvers, and passionate lifelong learners.

Cherryland School Vision: With the support of families and community, Cherryland staff is committed to:

- Creating clear and rigorous expectations for behavioral and academic growth.
- Nurturing a learning environment that promotes culturally responsive instruction that values and connects students' learning to their identities.
- Presenting clear learning objectives and differentiating instruction for all students to guarantee educational equity and excellence.

2021-22 School Overview

- Providing multi-modality opportunities for students to work collaboratively while applying the principles of Social Justice.
- Including creative lessons that promote student engagement and mastery of common core standards.
- Facilitating opportunities for students to develop empathy, problem solve, and work as allies to maintain a safe and inclusive school.
- Fostering community partnerships to meet the physical, emotional, and socio-economic needs of students and families.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

The involvement of parents and community members is an essential component of nurturing students. Every effort to invite and consider parent and community input is made to ensure the success of our students. Parents are involved in planning and implementing a number of parent engagement nights ranging from family involvement nights, to our winter concert, Black Family Expo Night, our annual spring health fair and the 6th grade graduation breakfast, and graduation itself. We have a monthly coffee with the principal. Cherryland features a robust Parent Education Program featuring parenting and healthy eating workshops, as well as partnerships with Cherryland PTO and Padres Unidos de Cherryland. We also have a parent member on our Site Based Decision Making (SBDM) teams as well as the regular SSC and ELAC parent groups. A team of parents, teachers, and administrators developed the following school/parent involvement policy:

Parental involvement means the participation of parents in regular, two-way meaningful communication involving student academic learning and other school activities ensuring that parents play an integral role in assisting their child's learning, receive grade level standards, monitor and discuss schoolwork at home, and receive information on how to work with their child at home. It also means that parents are encouraged to be actively involved in their child's education at school including, but not limited to participating in Student Study Team meetings (SST), IEP meetings and in meetings for behavioral or educational contracts. It also means that parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child (for example, parent conferences, SSC, ELAC, and Title 1 parent meetings).

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

At the time of the latest review of the School Site Safety Plan, all revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for insuring student and staff safety during a disaster. Fire, earthquake, and lockdown drills are conducted on a regular basis throughout the school year.

Safety is a high priority because it is necessary to ensure a successful and healthy educational environment. Students are supervised throughout the day by teachers, administrators, and other campus supervisors. There are designated areas for student drop-off and pick up.

Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year so that all staff and students are familiar with what steps to take in an event of an emergency. The school is using an online application called Share911 to communicate with staff during emergencies. This online safety app is also used to coordinate safety/disaster drills.

Our school has an active School Safety Committee that includes administrators, teachers, maintenance, school supervisors, and other staff members. The committee works together in forming and revising the school safety plan as well as responding to day-to-day safety issues. At the time of the latest review of the School Site Safety Plan, all revisions were communicated to both the classified and certificated staff. During the 2020-21 school year, this has included all of the necessary safety, health and sanitizing protocols to ensure that staff and visitors to campus remain as safe as possible during the COVID-19 Shelter in Place status of our school.

In May 2021 HUSD opened for in person learning opportunities at all sites. HUSD developed district wide safety plans with schools also having plans specific to their site. The "Ready to Return" In-Person Learning Safety Plan was created in April 2021 that addressed questions/guidelines regarding face masks, daily health screenings using the Frontline Health Portal, social distancing, and cleaning procedures. Notifications of the plans were sent out to all staff and families. It was posted on the district/school websites for the entire HUSD community to access.

2020-21 Types of Services Funded

Our Supplemental and Concentration funds go primarily to human costs, direct supports for students, and professional development for Staff. We have an EL Specialist who works directly with ELL students. We funded a Family Engagement Specialist position to support community engagement and connect families to services and supports. We also Funded a Bilingual Para Educator Position to support EL students to reach grade level proficiency. In addition, we have used funding to support our Integrated Arts focus hiring after-school instructors in drama, cultural and arts programs. We have used funding to support professional development in integrated Arts and balanced literacy for classroom teachers. We have also used funding to purchase increased on site technology with Chromebook carts and blended learning platforms. We have the students engaged in online programs such as IXL, Epic, Brainpop, Flocabulary, and RAZ Kids. Finally, we have used funding to expand our leveled reading program, purchasing guided reading sets and leveled libraries for teachers, both in English and Spanish.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
