Areas for Growth:	Areas for Growth:

One of the first activities in Pre-K will be thinking about what our most important hopes and dreams are for this school year. We invite you to join this activity by sharing your hopes and dreams for your child's Pre-K year in the space below.

****IMPORTANT**** Does your child have any food allergies, animal allergies, seasonal allergies, etc.? Please explain below.

Do you have any special talents, skills, hobbies, interests or aspects of your culture that you would like to share with us?
