## SAFE & SOBER INTERVENTION ASSEMBLY

On Friday, June 2nd, 2023 at 9:00 A.M., Pend Oreille County Fire District 4 and Newport High School, with assistance from SPOFR, Kalispell Tribal Fire and Rescue, Pend Oreille Paramedics, Lifelight and Pend Oreille County Sheriffs Office presented a DUI informational presentation to the students of Newport High School to show the very real potential of accidents occurring while intoxicated by drugs and alcohol.

The stage was set for a 2-vehicle motor vehicle accident with major injuries, and even a fatality, with rescue crews coming in to extricate the victims from the wreckage. The Sheriff's Office will be investigating the incident, and arrested one of the drivers at the scene for suspicion of DUI.

**Newport High School would like to thank all the agencies that helped make this intervention event happen for our students. The simulation was extremely real and benefitted all who witnessed it.**
