

Hinsdale High School District 86

Weekly Update

July 21, 2023

Update No. 111

The Referendum Renovations are in their final phase. Phase 4 is comprised of refreshing 85 classrooms at Hinsdale Central. Improvements include new flooring, lighting, paint, and acoustic ceilings. Most classrooms are getting new furnishings.

For the week of July 17, painting, wall patching, ceiling grid, flooring, and light fixture installation continued throughout the school. The science and social studies classrooms passed their ceiling inspections, and those classrooms will be turned over for cleaning on July 24.

Next Steps: LVT flooring is slated to start in the music rooms, and epoxy flooring in the Art rooms next week. New classroom furniture will start arriving by July 25. Move-back activity begins July 31.

Left: FACS kitchen classroom 116 with new lights, ceiling grid, and paint.

Right: Business classroom 281 with fresh paint, ceiling, flooring, and a new projector.

Left: New window installation is progressing along 55th Street.
