

Hinsdale High School District 86

Weekly Update

July 28, 2023

Update No. 112

The Referendum Renovations are in their final phase. Phase 4 is comprised of refreshing 85 classrooms at Hinsdale Central. Improvements include new flooring, lighting, paint, and acoustic ceilings. Most classrooms are getting new furnishings.

Painting, ceiling grid, flooring, and light fixture installation continued throughout the school the week of July 24. The first truck loads of furniture arrived for assembly. Pepper Construction prepared a second wave of 20 classrooms for inspection and turnover for cleaning in the following week.

Next Steps: Move-back activity begins July 31 in the science and social studies classrooms. Most new furnishings will be on site by August 1. Second major move activity is scheduled for August 9.

Left: Music room 163 with new ceiling grid and LVT flooring.

Right: The first of many truckloads of furniture delivered to the school.

Left: A science classroom, cleaned and waxed and ready for move-in.
