Dear Kentwood High School Parents and Community,

As principal of Kentwood High School, it is my pleasure to welcome everyone back for another great year. We are all excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our mission to help every child feel welcomed, connected, and a part of our Kentwood High family. Additionally, we strive to challenge each student to grow in his or her academic abilities and to be college and/or career ready by the end of high school. At Kentwood High, we have great teachers who spend hours planning and creating classroom activities to engage our students in learning. Our teachers utilize research-based best practices and analyze academic data to determine current skill levels and to set goals for growth and improvement. We believe all students should graduate from high school prepared for the demands of postsecondary education, meaningful careers, and effective citizenship.

We hope that you will find our website and Facebook page helpful and informative. All of the information we send out via email and robocall can also be found on this site. We also have a new marquee in the front of the field house that we will use to send out updates and quick announcements as we go through the school year.

We have also moved to a cashless payment system. The program will be used to pay for all school-related fees such as supply fees, field trips, athletic events, and technology fees. We ask that all parents register for SchoolCash online today. The link can be found on the district website (right hand corner – Pay a fee).

I am honored to serve as the principal of Kentwood High School. It is truly a privilege to be a part of a community where parents, teachers and students care for each other and strive to build a positive relationship that support academic and social growth. Please feel free to contact me at (9985) 229-2881 or sharess.baptiste@tangischools.org.

Once again, welcome back! Let's make it another great year at Kentwood High together!

Sincerely,

Sharess E. Baptiste

KHMS Principal
