Typically, the first couple weeks of school are spent covering expectations. Whether those expectations involve procedures for each area of our building or academics, all students are held accountable for their success. We are looking forward to a great year at EES. Thank you to all who help make this happen.

## Upcoming..

- Be on the lookout for a note about car tags for car riders.
- Ask your child about "Lucky Charms". Students earn tickets for outstanding behavior!

## Friendly Reminders

- Drop off takes place behind our building from 7:00-7:45. PreK drop off is on the side of the building between 7:15-7:45.
- You may not check a student out from the office between 2:30-3:00.
