**Course Description**

United States History will be presented as a chronological story of America and its people. It will follow the development from our distant to our most recent past. We will study the geography, political, economic and social conditions, and the people that have affected our country. The goal of U.S. History is to acquaint the students with America's past so that they have a better understanding of the American present and are better prepared to play a part in our nation's future. The students will develop a sense of historical time and historical perspective as they study the history of their community, state, nation, and world.
