

## Community Conversation #4 Summary

Thank you to all who attended **Community Conversation #4 Finalizing the Plan and Next Steps** held at Trumbull High School on April 26th. This is a summary of the event:

### The Goal of the Workshop:

An in-depth presentation about the feedback and data compiled to date, with breaks along the way for an open forum discussion around the several options for consideration.

### The Topics We Discussed:

- Feedback and survey data received to date
- Timeline of each option
- Cost of each option
- Student population within each school for each option
- Benefits and challenges of each option

### INTRODUCTION OF OPTIONS

**OPTION 1 Middle School "Swing"**  
Build a new Hillcrest and use the existing building as swing space for Tier 1 elementary renewal

**OPTION 2 "One at a time" please**  
Methodically replace Tier 1 buildings one at a time as either New, or Renovate Like New

**OPTION 3 "If it ain't broke, don't fix"**  
Resolve issues as they arise as part of a capital improvement program

**OPTION 4 Intermediate Introduction**  
Build two new intermediate schools (GR 4-5) on each side of the district to create swing space and flexibility at elementary level

**OPTION 5 Accommodating an Academy**  
Build two new academy schools (GR 5-6) on each side of the district to create space at both elementary and middle school levels

**OPTION 6 Integration Starting at 5th**  
Reimagine Madison and Hillcrest as district-wide GR 5-6 and GR 7-8 schools (respectively) to create space at elementary and bring students together

**OPTION 7 District-wide Middle School**  
Reimagine Madison as district-wide GR 6-8 to bring students together and free up Hillcrest campus for community amenities

### OPTIONS FOR DISCUSSION....

- 1 Are intended to address the identified deficiencies found from the **analysis of physical conditions, program and capacity.**
- 2 Prioritization is based upon objective analysis. **Order can, and WILL change** as we continue our dialogue with the community. The plan is **not** finalized.
- 3 Preferred option often is a **combination or modification** of the initial options presented. **Costs will be updated.**
