

Cielo Vista Elementary School

VISION

Each and every student will **Advance Via Individual Determination (AVID)**

INSTRUCTIONAL VISION

As a team, the faculty of Cielo Vista Elementary School will collaborate to implement instructional strategies that increase access to and application of academic vocabulary across curricular areas to promote a coherent culture of instructional practice.

MISSION

We will empower each and every student to champion their individual strengths and academic potential in partnership with families for success in a global society.

VALUES

We believe each and every student has the right to a rigorous, inclusive education promoting innovation. We celebrate each and every student and promote excellence through a safe learning community.

GOALS

1. Our goal is to improve student achievement by:
 - Using multiple measures to monitor and evaluate student learning
 - Using data to inform instruction with intentional lesson design and flexible grouping
 - Using student engagement strategies to foster social emotional development

2. Our goal is to use the **WICOR** framework:
 - **W**riting to learn
