

Mrs. Thompson and the Music City Arts Academy

The Music City Arts Academy (MCAA) is a music education program for students who want private lessons and offers on-site instruction before and after school. The goals of the Music Academy are to guide our students in attaining a high level of music education and to help each student realize his or her individual potential.

MCAA is pleased to be offering private music lessons taught by specialists in the following areas: piano, voice, drum, and violin. Each semester is for 12 weeks and lessons are 30 minutes each. Lessons will begin the week of August 28.. Space is limited so registration is on a first-come, first served basis.

MCAA must charge a \$25 service fee each semester in order to pay SBA for use of the facility and this fee is separate from the yearly (August – May) registration fee of \$35.

To sign up, please fill out the registration form and send the lesson fee, registration and service fees. The form and the MCAA Policies are attached. Payment can be taken via Venmo (Renee-Thompson-32) or by check.

Feel free to contact me, Renee Thompson at MusicCityArtsAcademy@gmail.com if you have further questions.

May God continue to bless this effort as we help students develop their gifts and talents.

Gratefully,

Renee Thompson
