Welcome to DaVinci Academy Flex! We are a unique magnet program that partners with parents to create a tailored educational experience for each child. We look forward to partnering with you in giving your child a high quality, hands-on, personalized learning experience. For optimal success, all parties agree to meet the following requirements:

Parents:

- Make certain that students attend school regularly and on time, and excuse absences, as necessary.
- See that students are well-rested and have breakfast each day, before school.
- Work with the teacher/Curriculum Specialist in choosing a curriculum package.
- Create a daily schedule for curriculum instruction to meet pacing guides.
- Follow curriculum pacing guides for both Language Arts and Math.
- Follow Assist Plan recommendations if you fall behind on curriculum.
- Attend 3 Parent-Teacher Conferences yearly and report progress in curriculum.
- Be responsive to teacher and school communications.
- Encourage positive attitudes toward education and school.
- Complete required benchmark testing, three times a year.
- Return curriculum and laptops at the end of the year.

Student Requirements:

- Attend Davinci Day on-site classes weekly.
- Participate in class.
- Complete daily assignments in my math and language arts programs at home
- Attend interventions if needed.
- Complete missing assignments.
- No cell phone or smartwatch usage during the school day (to include lunch).

The requirements listed above help ensure that students are progressing which meets state attendance laws according to state board rule 277-419-9 and DaVinci policy. Students will be expected to meet daily progress goals, and they should expect to spend about an hour a day in each core subject.

If students or parents fail to meet these expectations, then DaVinci teachers will work with you to create an assist plan to get back on track.
