4240 EMPLOYEE TRAINING

The Board of Education believes that continuing training and study is essential to the improvement of employee performance and the acquisition of technological skills. The Board encourages all employees to participate in appropriate training programs.

The School Business Administrator/Board Secretary shall prepare rules for employee participation in programs of job skill improvement. The rules will include methods of reporting and verifying claims for participation in such activities.

The Board will reimburse employee requests for attendance at training programs in accordance with applicable law and Board of Education Policy and Regulation 6471 and provided participation has been approved in advance by the School Business Administrator/Board Secretary.

Adopted: 22 July 2004
Revised: 16 December 2010
