Honoring Pupil Achievement

5440 HONORING PUPIL ACHIEVEMENT

The Board of Education values excellence and wishes to instill in pupils the desire to do their best in all things.

The Board will recognize the outstanding achievements of pupils by means appropriate to the grade level of the pupil and to the nature of the accomplishment.

The Superintendent shall develop regulations for the recognition of pupil achievement that establish fair standards for recognition, assure that all eligible pupils are offered and equal opportunity to meet those standards, and provide for appropriate recognition ceremonies and awards.

Awards and recognition will be released for publication in accordance with Policy Number 8330.

Because it is not possible to anticipate the achievements of pupils in all areas of school and community life, all teacher staff members are directed to be alert to the outstanding accomplishments of pupils other than those listed. Any such accomplishment should be reported to the Building Principal with a recommendation that the Board consider appropriate recognition of the pupil.
