H.E.R.D. Core Values

H- Honor Self & Community
E- Exhibit Pride
R- Radiate Gratitude
D- Demonstrate Integrity

An intentional focus on building relationships and character education/core values has resulted in a positive school culture with happy and emotionally intelligent students! Every student participates in daily community circles to connect with staff and classmates. Blackshear intentionally focuses on community partnerships and community service and on strong partnerships with parents and families. Innovative academics including a blended learning model in PK-5 has resulted in advanced growth and achievement in the areas of math, reading, writing, and science. Blackshear has been awarded over \$175,000 of grants including a Technology Lending grant from TEA, two Klein Education Foundations grants for \$25,000 each, and an additional STEM grant.

I'm so honored to be the principal of Blackshear Elementary and to get to serve this thriving school community. Our Buffalo family is one of a kind; full of hard-working, creative, and loving individuals all dedicated to being our absolute best.

Here at Blackshear, we are passionate about focusing on students as the center of everything we do and meeting their individual learning needs as they pursue their unique purpose. We strive to help every member of our Buffalo Herd show continuous growth in academics and in character to ensure their success.

Each year we are excited to continue building upon Blackshear Elementary's strong foundation of excellence and innovation to help our students reach their highest potential.

We are beyond grateful for our Blackshear and Klein ISD community support as we work together to develop the promise in every student as they find their purpose. Please reach out to me and our campus staff with any questions or for more information about our amazing campus.

Buffaloes are saying...

At Blackshear, I know my child's safety is a priority! There are many safety features like the doorbell, the vestibule, and the fence that secure the property. These features along with a caring staff make me rest easy when I am away from my child.

PARENT

When I walk into Blackshear Elementary each morning I am reminded of the Promise to Purpose vision we have for our students. With perseverance and dedication, we, the Blackshear community, create an environment that allows each student to become their best self.

TEACHER

I love how the teachers encourage and push us to do better and be the best we can be in school.

STUDENT

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.

PROGRAM HIGHLIGHT

Blackshear Elementary teachers focus on high-quality instruction through the use of personalized programs, peer collaboration, and extension lessons when academic content has been mastered. We focus on knowing students by name, strength, and need and tailor learning opportunities to meet each individual student where they are in their learning journey.
