Board of Education Electronic Entrance Sign

7660 ELECTRONIC ENTRANCE SIGN

For the purposes of keeping the community fully informed and provided with adequate information regarding school district events, the Board authorizes the Building Principals to coordinate and oversee an electronic entrance sign located at the entrance to the McKinley Avenue school building complex. All items to be posted on the electronic shall be approved by the Superintendent or designee prior to posting.

The types of information that may be posted on the electronic sign include, but are not limited to:

- School activities and events
- Board of Education meeting dates
- Information regarding school times, closings, procedures, schedules
- School Administration Information
- Welcome Information
- School awards, recognition and other items of interest
- Events at the Stafford Township Arts Center (a facility is owned by the Stafford Township Board of Education and operated by the Stafford Township Education Foundation, on behalf of the Stafford Township Board of Education, through a contractual relationship) so long as the posting specifically authorized and approved by the Superintendent
- Other information deemed necessary by the Superintendent

The electronic entrance sign is at all times owned and operated by the Stafford Township Board of Education. It is intended to provide information to the community about and directly related to school district events and notices. The electronic entrance sign is not an open or limited open public forum and at no time is the electronic entrance sign to be used to promote events or distribute information from outside organizations (except as set forth above regarding the Stafford Township Arts Center).
