9310 COOPERATION WITH MUNICIPAL AGENCIES

The Board of Education recognizes separate but complementary roles played by this Board and by Stafford Township in the development of a budget and the levy of local taxes sufficient to provide a thorough and efficient system of free public education. Accordingly, the Board directs the implementation of a program of communication and cooperation between this district and municipal authorities.

The Board and Superintendent will offer to meet with municipal officials to review the budget before the public hearing and periodically meet on matters of interest to both parties.

Adopted: 22 July 2004
