### 9700 SPECIAL INTEREST GROUPS

The Board of Education recognizes the contributions of persons and organizations outside the schools district may take the form of materials, activities, and awards that tend to serve the interests of the contributor as well as benefit the school district and pupils. For the purposes of this Policy, "organizations outside the school district" shall be any organization, group, activity, club, association, agency, or individual that is not approved or sponsored by the Board of Education.

The Board reserves the right to review, approve, or reject proposed contributions from organizations outside the school district. Proposed contributions may be rejected by the Board, including but not limited to, proposed contributions that have the primary effect of advancing the name, product, or special interest of a person, corporation, or organization; fail to meet district standards of accuracy and good taste; are of little or no educational value to pupils; make unreasonable demands upon the time and energies of staff and pupils or upon the resources of the district; interrupt or interfere with the regular school program; or involve a direct cost to the district. All gifts, grants and donations will only be accepted in accordance with Policy and Regulation 7230.

The approval of the use of any material or the conduct of any activity offered by an organization outside the schools district shall not under any circumstances be construed as an endorsement by this Board of any interest, cause, or organization.

Permission to solicit or raise funds on school premises will be granted only to those persons and organizations whose purposes are consistent with the goals of this district and the interests of the community and are in accordance with the Board's fundraising policy. Solicitation or fundraising may not interfere with the orderly operation of the schools. The Board will not be responsible for the protection of or accounting for such funds and these funds may not be deposited in any district account.

The distribution of literature to or through pupils in the school district shall be governed by Policy 9125 – Use of Community Notification System.

The Board prohibits the distribution of political literature to, through or while pupils of this district are present, in school buildings or on school grounds that promotes, favors, or opposes the candidacy of any candidate for election at any annual school election, or the adoption of any bond issue, proposal, or any public question submitted at any general, municipal or school election. No pupil shall be requested or directed by any school official or employee to engage in any activity that tends to promote, favor, or oppose any such candidacy, bond issue, proposal or a public question submitted at any election.
