

## R 1570 INTERNAL CONTROLS

- A. Segregation of Business Duties and Organizational Structure
1. The school district shall evaluate business processes annually and allocate available resources appropriately in an effort to establish a strong control environment.
  2. The School Business Administrator/Board Secretary shall identify processes that when performed by the same individuals are a violation of sound segregation of duties. The School Business Administrator/Board Secretary shall segregate the duties of all such processes among Business office staff based on available district resources, assessed vulnerability and the associated cost-benefit, except as required by a. and b. below.
    - a. The functions of human resources and payroll shall be segregated and completed by different employees in all districts.
    - b. The functions of purchasing and accounts payable shall be segregated and completed by different employees in all districts.
  3. The district shall include in the Comprehensive Annual Financial Report (CAFR) a detailed organizational chart for the Central Office that tie to the district's position control logs, including but not limited to, the business, human resources, and information management functions.
- B. Standard Operating Procedures (SOPs) for Business Functions
1. The school district shall establish SOPs for each task or function of the business operations of the district by December 31, 2009.
  2. The SOP Manual shall include sections on each routine task or function of the following areas:
    - a. Accounting including general ledger, accounts payable, accounts receivable, payroll and fixed assets, and year-end procedures for each;
    - b. Cash management;

  - f. Facilities including administration of work and health and safety;
  - g. Security;
  - h. Emergency preparedness;
  - i. Risk management;
  - j. Transportation;
  - k. Food service;
  - l. Technology systems; and
  - m. Information management.
3. A standard operating procedure shall be established that ensures office supplies are ordered in appropriate quantities, maintained in appropriate storage facilities, and monitored to keep track of inventory.
- C. Financial and Human Resource Management Systems, Access Controls
- 1. School districts with budgets in excess of \$25,000,000 or with more than 300 employees shall maintain an Enterprise Resource Planning (ERP) System which integrates all data and processes of the school district into a unified system. The ERP system shall use multiple components of computer software and hardware and a unified database to store data for the various system modules to achieve the integration.
    - a. Districts affected by C.1. above that do not have an ERP system in place on July 1, 2008 shall fully implement one by the 2010-2011 school year and maintain both the existing system(s) and run a beta test ERP system during the 2009-2010 school year.

2. Whenever considering financial systems or the automation of other services or functions, the Superintendent of Schools or School Business Administrator/Board Secretary shall notify the Executive County Superintendent in writing to see if opportunities for a shared service system exist.
  3. Access controls shall be established for key elements of financial systems to ensure that a single person does not have the ability to make system edits that would violate segregation of duties controls.
    - a. The process for creating, modifying, and deleting user accounts shall include the use of user access request forms.
    - b. All requests for financial applications shall be approved and specified by the School Business Administrator/Board Secretary.
    - c. All requests for network access shall be granted by the head of the technology department, if one exists.
    - d. A review of user access shall be conducted yearly at a minimum by the relevant department managers and an audit trail should be maintained to verify the performance of this review.
    - e. Access to the network and key applications within a district shall be restricted to authorized users through the use of unique user names and passwords.
    - f. Proper protocols shall be implemented that appropriately address password expiration and complexity.
- D. Personnel Tracking and Accounting
1. The school district shall maintain an accurate, complete, and up-to-date automated position control roster to track the actual number and category of employees and the detailed information for each. Districts are required to maintain a position control roster by December 31, 2009. The position control roster shall:
    - a. Share a common database and be integrated with the district's payroll system;
    - b. Agree to the account codes in the budget software;
