IN KLEIN ISD, EVERY STUDENT  
ENTERS WITH A PROMISE & EXITS WITH A PURPOSE

Mittelstädt Elementary is home to our proud Patriots. Our outstanding staff of educators design lessons and activities that provide personalized learning opportunities for students. Using Visible Learning strategies, our students learn to assess, track and monitor personal learning progress. Additional growth opportunities for students include several on-campus activities. Examples of our campus activities include Coding Club, our award winning program, Destination Imagination, Patriot Players (Strings Instrument Program), Patriot Singers, Name that Book Cub, Patriot Basketball Program, Math Club, Patriot Pep Squad Club, and Leadership Academy. Activities are available to parents to support our efforts and to partner with us which include PTO and Parent University.

Hello, Patriot Families,

My name is Julie Shumake, and I am honored to serve the students, staff and community of Mittelstädt Elementary. I thank you for your partnership as we work together to provide personalized learning opportunities for our students. I look forward to celebrating our Patriots' academic growth as we progress through the school year.

Although academic achievement is very important, education is so much more than academics. My ultimate goal is to help all students identify their voice, their confidence, their strengths, their talents, and their passions so that they can reach all of their goals and dreams. As we say in Klein ISD, we want EVERY student to enter with a Promise and to exit with their Purpose.

I encourage you to get involved in your child's education. Ask questions. Participate in activities. As a school community, we are always better together! We need you!

Thank you so much for your support. I am so thankful for you, and, again, I look forward to partnering with you.

## Patriots are saying...

"I believe Elementary education is the foundation of a child's future and Mittelstadt has more than risen to the occasion. It has been our experience that the staff, teachers and administration care not only for the student's education but also their over all mental health. They want to cultivate a love for learning, and not just prepared to take a test."

### PARENT

"The tradition and loyalty at Mittelstädt is unlike any other school I've worked at. The faculty and staff are working so hard on providing a safe and nurturing learning environment for all learners."

### TEACHER

"The teachers are really helpful because they love the students and help them learn."

### STUDENT

## PROGRAM HIGHLIGHT

Mittelstädt Elementary is a family with teachers who focus on high-quality instruction through the use of personalized pathways, peer collaboration, and extension lessons when academic content has been mastered. We focus on knowing students by name, strength, and need, and we tailor learning opportunities to meet each individual student where they are in their learning journey.

## CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
