Educational Excellence

The Future is Now. At Nitsch Elementary, each morning begins with the affirmation of self determination. Through the F.A.C.E. (Fierce Leadership, Attitude of Gratitude, Collaborative Community, Educational Excellence) of a Knight Program, students build the essential elements to be successful a day at a time. At its core, Nitsch offers **EVERY** learner an opportunity to grow into the Academic Pathway established by Klein ISD that best fits their Purpose. Equipped with knowledge, passion, and Purpose, the Promise can become a reality.

Welcome to a school where **EVERY CHILD** is guided towards their greatest potential. Knights are saying...

Nitsch is the first school my kids have wanted to make sure they are present every day. The staff does a great job of checking in on us.

PARENT

My heart has always been with the students and staff of Nitsch Elementary. There is no other place I'd rather be. It is the reason I've been here for so many years!

TEACHER

I love the Nitsch school song!

STUDENT

PROGRAM HIGHLIGHT

Knights United, "One Team, 5 Houses"

Each year, students are sorted into 5 houses. Students learn the value of collaboration, integrity, and grit, while enjoying a taste of the competitive spirit.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
