Plain Local Schools' students are expected to behave in a manner appropriate to the setting. This expectation includes the time during which students are attending school when it is in session, as well as those times when students are involved in or attending school functions beyond the regular school day. This expectation also includes the time during which students are going to and from school, on school transportation, and on property not owned or controlled by Plain Local Schools, but that is connected to activities or incidents that have occurred on school grounds or on property owned/controlled by Plain Local Schools. Furthermore, students may be disciplined for engaging in conduct that, regardless of where or when it occurs, is directed at a Plain Local Schools' official or employee, or the property of such official or employee. A verbatim transcript will be made, and witnesses will be sworn in prior to giving testimony. If the appeal decision is to uphold the suspension, the next step in the appeal process is to the Court of Common Pleas.

An expulsion is a removal from school for up to eighty (80) school days. When a student engages in any of the preceding behaviors on school property, or during school related activities, the student will be disciplined according to administrative guidelines with appropriate due process, possibly resulting in an expulsion.

a. Guidelines

Students violating the Plain Local School District Student Code of Conduct and whose behavior warrants an expulsion shall fall under the following guidelines:

I. Students being considered for expulsion are entitled to an informal meeting with the Superintendent or his/her designee prior to removal. During the informal meeting, the student shall be made aware of the violation and that he/she may be expelled and given the opportunity to respond to the charges against him/her.

II. The Superintendent or his/her designee may amend the consequence when deemed appropriate.

Misconduct described in the Student Discipline Policies or Code of Conduct may be punished under that policy or code regardless of where the misconduct occurs, if the misconduct is directed at an employee or officer of the School District or at the property of an employee or officer of the School District.

VII. Any acts, in the opinion of the building administrator, that endanger the safety of staff or students, or are criminal acts may include a consideration for expulsion.

VIII. Any student who is expelled from school for more than twenty (20) days or for any period of time if the expulsion will extend into the following semester or school year will be provided with information about services or programs offered by public and private agencies that work toward improving those aspects of the student’s attitude and behavior that contributed to the incident that gave rise to the student’s expulsion.

IX. Students returning to school following an expulsion will fall under the “3rd offense” for any suspendable behavior during the remainder of the school year

X. Expelled Students who return to school may be expelled from school for a period not to exceed one year for committing an act that is a criminal offense if committed by an adult and that results in serious physical harm to persons or property.

XI. Expelled students may also be permanently excluded from attending school. Such process is formal and may follow an expulsion from school with the proper notification to the parents.

b. Accumulated Consequences

All disciplinary responses accumulate over a given school year.

c. Procedures

When a student is being considered for expulsion, the student and parent will be provided with a formal notice of the proposed expulsion. This written notice will include the reasons for the intended expulsion, notification of the opportunity to appear in person before the Superintendent or the Superintendent's designee to challenge the reasons for the expulsion and/or explain the student's action, and notification of the time and place to appear. Students being considered for expulsion may be removed immediately. A hearing will be scheduled no earlier than three (3), nor no later than five (5) school days after the notice is given. Parents may request an extension of time for the hearing. The student may be represented by his/her parents, legal counsel, and/or by a person of his/her choice at the hearing. In accordance with Board Policy 5610, the Superintendent shall initiate expulsion proceedings against a student who has committed an act that warrants expulsion under Board policy even if the student withdraws from school prior to the hearing or decision to impose the expulsion. The expulsion will be imposed for the same duration that it would have been had the student remained enrolled. If a student is expelled, the student and the student's parents will be provided with written notice within one (1) school day of the imposed expulsion. The notice will include the reasons for the expulsion, the right of the student, or the student's parent(s)/guardian(s) or custodian(s) to appeal the expulsion to the Board or its designee, the right to be represented in all appeal proceedings, the right to be granted a hearing before the Board or its designee, and the right to request that the hearing be held in executive session. Within three (3) calendar days after the Superintendent notifies the parents of the expulsion, the expulsion may be appealed, in writing, to the Board of Education or its designee. A hearing on the requested appeal will be formal with an opportunity for sworn testimony. If the expulsion is upheld on appeal, a student's parents may pursue further appeal to the Court of Common Pleas. Students serving expulsions will not be awarded grades or credit during the period of expulsion. Expulsion for certain violations including use or possession of alcohol or drugs, may result in revocation of student's driver's license. When a student is expelled, the Superintendent will notify any college in which the expelled student is enrolled under the Postsecondary Enrollment Option at the time the expulsion is imposed.

10. Emergency Removal

If a student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process taking place either in a classroom or elsewhere on the school premises, the Superintendent, Principal or Assistant Principal may remove the student from any curricular or extracurricular activity or from the school premises. A teacher may remove the student from any curricular or extracurricular activity under the teacher's supervision, but not from the premises. If a teacher makes an emergency removal, the teacher will notify a building administrator of the circumstances surrounding the removal in writing within one (1) school day. No prior notice or hearing is required for any removal under this procedure. In all cases of normal disciplinary procedures where a student is removed from curricular or extracurricular activity for less than one school day, and is not subject to further suspension or expulsion, the following due process requirements do not apply. If the emergency removal exceeds one (1) school day, then a hearing will be held within three (3) school days after the removal is ordered. Written notice of the hearing and the reasons for removal and any intended disciplinary action will be provided to the student, as soon as practical prior to the hearing. If the student is subject to an out of school suspension, the student will have the opportunity to appear at an informal hearing before the principal, assistant principal, Superintendent, or a designee, and may challenge the reasons for the removal or otherwise explain his/her actions. Within one (1) school day of the decision to suspend, written notification will be given to the parent(s)/guardian(s) or custodian(s) of the student. This notice will include the reasons for the suspension, the right of the student or his/her parent(s)/guardian(s) or custodian(s) to appeal to the Board or its designee, and the student's right to be represented in all appeal proceedings. If it is likely that the student may be subject to expulsion, the hearing will take place within three (3) school days and will be held in accordance with the procedures outlined in the Expulsion policy (see Section 7 Expulsion). The person who ordered or requested the removal will be present at the hearing. In an emergency removal, a student may be kept from class until the matter of the alleged misconduct is resolved either by reinstatement, suspension, or expulsion.
